Elvis Presley A Southern Life

Bea Martinez-Gatell

Elvis Presley A Southern Life:

Elvis Presley Joel Williamson, 2014-10-16 In *Elvis Presley A Southern Life* one of the most admired Southern historians of our time takes on one of the greatest cultural icons of all time The result is a masterpiece a vivid gripping biography set against the rich backdrop of Southern society indeed American society in the second half of the twentieth century Author of *The Crucible of Race* and *William Faulkner and Southern History* Joel Williamson is a renowned historian known for his inimitable and compelling narrative style In this tour de force biography he captures the drama of Presley's career set against the popular culture of the post World War II South Born in Tupelo Mississippi Presley was a contradiction flamboyant in pegged black pants with pink stripes yet soft spoken respectfully courting a decent girl from church Then he wandered into Sun Records and everything changed I was scared stiff Elvis recalled about his first time performing on stage Everyone was hollering and I didn't know what they were hollering at Girls did the hollering at his snarl and swagger Williamson calls it the revolution of the Elvis girls His fans lived in an intense moment this generation raised by their mothers while their fathers were away at war whose lives were transformed by an exodus from the countryside to Southern cities a postwar culture of consumption and a striving for upward mobility They came of age in the era of the 1954 Brown vs Board of Education ruling which turned high schools into battlegrounds of race Explosively white girls went wild for a white man inspired by and singing black music while wiggling erotically Elvis Williamson argues gave his female fans an opportunity to break free from straitlaced Southern society and express themselves sexually if only for a few hours at a time Rather than focusing on Elvis's music and the music industry *Elvis Presley A Southern Life* illuminates the zenith of his career his period of deepest creativity which captured a legion of fans and kept them fervently loyal for decades Williamson shows how Elvis himself changed and didn't In the latter part of his career when he performed regular gigs in Las Vegas and toured second tier cities he moved beyond the South to a national audience who had bought his albums and watched his movies Yet the makeup of his fan base did not substantially change nor did Elvis himself ever move up the Southern class ladder despite his wealth Even as he aged and his life was cut short he maintained his iconic status becoming arguably larger in death than in life as droves of fans continue to pay homage to him at Graceland Appreciative and unsparing culturally attuned and socially revealing Williamson's *Elvis Presley* will deepen our understanding of the man and his times Elvis Presley Joel Williamson, 2015

In *Elvis Presley A Southern Life* one of the most admired Southern historians of our time takes on one of the greatest cultural icons of all time The result is a masterpiece a vivid gripping biography set against the rich backdrop of Southern society indeed American society in the second half of the twentieth century Jacket *A Southern Life* Laurence G. Avery, 2017-02-15 This exceptional collection provides new insight into the life of North Carolina writer and activist Paul Green 1894-1981 the first southern playwright to attract international acclaim for his socially conscious dramas Green who taught philosophy and drama at the University of North Carolina at Chapel Hill won the Pulitzer Prize in 1927 for *In Abraham*

s Bosom an authentic drama of black life Among his other Broadway productions were Native Son and Johnny Johnson From the 1930s onward Green created fifteen outdoor historical productions known as symphonic dramas thereby inventing a distinctly American theater form These include The Lost Colony 1937 which is still performed today Laurence Avery has selected and annotated the 329 letters in this volume from over 9 000 existing pieces The letters to such figures as Sherwood Anderson Langston Hughes Richard Wright John Dos Passos Zora Neale Hurston and others interested in the arts and human rights in the South are alive with the intellect buoyant spirit and sensitivity to the human condition that made Green such an inspiring force in the emerging New South Avery s introduction and full bibliography of the playwright s works and first productions give readers a context for understanding Green s life and times Elvis Presley Joel Williamson,Donald Lewis Shaw,2015 An eminent Southern biographer interprets one of the most famous Southern icons of popular culture **Being Elvis: A Lonely Life** Ray Connolly,2017-03-21 A sympathetic and exceptionally well written account USA Today Ray Connolly s biography of the King soars with spontaneity and electricity Preston Lauterbach Elvis Presley is a giant figure in American popular culture a man whose talent and fame were matched only by his later excesses and tragic end A godlike entity in the history of rock and roll this twentieth century icon with a dazzling voice blended gospel and traditionally black rhythm and blues with country to create a completely new kind of music and new way of expressing male sexuality which simply blew the doors off a staid and repressed 1950s America In Being Elvis veteran rock journalist Ray Connolly takes a fresh look at the career of the world s most loved singer placing him forty years after his death not exhaustively in the garish neon lights of Las Vegas but back in his mid twentieth century distinctly southern world For new and seasoned fans alike Connolly who interviewed Elvis in 1969 re creates a man who sprang from poverty in Tupelo Mississippi to unprecedented overnight fame eclipsing Frank Sinatra and then inspiring the Beatles along the way Juxtaposing the music the songs and the incendiary live concerts with a personal life that would later careen wildly out of control Connolly demonstrates that Elvis s amphetamine use began as early as his touring days of hysteria in the late 1950s and that the financial needs that drove him in the beginning would return to plague him at the very end With a narrative informed by interviews over many years with John Lennon Bob Dylan B B King Sam Phillips and Roy Orbison among many others Connolly creates one of the most nuanced and mature portraits of this cultural phenomenon to date What distinguishes Being Elvis beyond the narrative itself is Connolly s more subtle examinations of white poverty class aspirations and the prison that is extreme fame As we reach the end of this poignant account Elvis s death at forty two takes on the hue of a profoundly American tragedy The creator of an American sound that resonates today Elvis remains frozen in time an enduring American icon who could seamlessly soar into a falsetto of pleading and yearning and capture an inner emotion perhaps of eternal yearning to which all of us can still relate Intimate and unsparing Being Elvis explores the extravagance and irrationality inherent in the Elvis mythology ultimately offering a thoughtful celebration of an immortal life *Southern Religion, Southern Culture* Darren E. Grem,Ted

Ownby, James G. Thomas Jr., 2018-12-18 Contributions by Ryan L Fletcher Darren E Grem Paul Harvey Alicia Jackson Ted Ownby Otis W Pickett Arthur Remillard Chad Seales and Randall J Stephens Over more than three decades of teaching at the University of Mississippi Charles Reagan Wilson's research and writing transformed southern studies in key ways This volume pays tribute to and extends Wilson's seminal work on southern religion and culture Using certain episodes and moments in southern religious history the essays examine the place and power of religion in southern communities and society It emulates Wilson's model featuring both majority and minority voices from archives and applying a variety of methods to explain the South's religious diversity and how religion mattered in many arenas of private and public life often with life or death stakes The volume first concentrates on churches and ministers and then considers religious and cultural constructions outside formal religious bodies and institutions It examines the faiths expressed via the region's fields streets homes public squares recreational venues roadsides and stages In doing so this book shows that Wilson's groundbreaking work on religion is an essential part of southern studies and crucial for fostering deeper understanding of the South's complicated history and culture

Sex and Sexuality in Modern Southern Culture Trent Brown, 2017-09-18 In the American imagination the South is a place both sexually open and closed outwardly chaste and inwardly sultry Sex and Sexuality in Modern Southern Culture demonstrates that there is no central theme that encompasses sex in the U S South but rather a rich variety of manifestations and embodiments influenced by race gender history and social and political forces The twelve essays in this volume shine a particularly bright light on the significance of race in shaping the history of southern sexuality primarily in the period since World War II Francesca Gamber discusses the politics of interracial sex during the national civil rights movement while Katherine Henninger and Rich Richardson each consider the intersections of race and sexuality in the blaxploitation film *Mandingo* and the comedy of Steve Harvey respectively Political and religious regulation of sexual behavior also receives attention in Claire Strom's essay on venereal disease treatment in wartime Florida Stephanie M Chalifoux's examination of prostitution networks in Alabama Krystal Humphreys's piece on purity culture in modern Christianity and Whitney Strub's essay delving into the sexual politics of the Memphis Deep Throat trials Specific places in the South figure prominently in Jerry Watkins's essay on queer sex in the Redneck Riviera of northern Florida Richard Hourigan's exploration of bachelor parties in Myrtle Beach and Matt Miller's piece on African American spring break celebrations in Atlanta Finally Abigail Parsons and Trent Brown investigate southern portrayals of gender and sexuality in the fiction of Fannie Flagg and Larry Brown Above all Sex and Sexuality in Modern Southern Culture demonstrates that sex has been a fluid and resilient force operating across multiple discourses and practices in the contemporary South and remains a vital component in the perception of a culturally complex region

Southern Life, Northern City Jennifer A. Lemak, 2008-10-02 Southern Life Northern City is the inspirational story of an African American community in Albany that has fought doggedly for generations to preserve its legacy and way of life In the 1920s and 1930s rural African American

families living in Shubuta Mississippi began relocating to Albany New York These former sharecroppers initially settled in Albany s South End but quickly became unhappy with the vice and overcrowding of city life A leading member of this community Reverend Louis W Parson courageously led the effort to purchase land on the city s western edge The newly relocated residents enthusiastically recreated their rural southern life in the north building homes planting crops hunting and raising families Fifty years later their settlement found itself threatened by sprawl commercial development and corporate greed Joining forces with public historians and preservationists the residents triumphed with the Rapp Road community being named a New York State and a National Historic District

The Life and Writings of Ralph J. Gleason Don Armstrong, 2024-01-11 Discover the enthralling world of Ralph J Gleason a pioneering music journalist who expanded the possibilities of the newspaper music column sparked the San Francisco jazz and rock scenes and co founded Rolling Stone magazine Gleason not only reported on but influenced the trajectory of popular music He alone chronicled the unparalleled evolution of popular music from the 1930s into the 1970s and while doing so interviewed and befriended many trailblazers such as Miles Davis Dizzy Gillespie Bob Dylan and the Beatles A true iconoclast he dismantled the barriers between popular and highbrow music and barriers separating the musical genres He played a crucial role in shaping postwar music criticism by covering all genres and analyzing music s social political and historical meanings This book uncovers never before seen letters anecdotes family accounts and exclusive interviews to reveal one of the most intriguing personalities of the 20th century

The Resilient South: Life and Politics in a Changing Landscape Pasquale De Marco, 2025-08-09 The Resilient South Life and Politics in a Changing Landscape is a comprehensive and insightful look at the changing South This timely and important book explores the region s unique history culture politics and economy and it provides a roadmap for the future of the South In recent years the South has undergone a period of significant change The region s economy has shifted from agriculture to services and the tech industry has emerged as a major force The South s population has also become more diverse and the political landscape has become more complex These changes have created a number of challenges for the South including poverty inequality and environmental degradation However the South also has a number of strengths including a strong economy a diverse population and a rich culture With continued investment in education and infrastructure the South can continue to grow and prosper The Resilient South Life and Politics in a Changing Landscape is essential reading for anyone who wants to understand the changing South This book provides a comprehensive overview of the region s history culture politics and economy and it offers a roadmap for the future of the South The Resilient South Life and Politics in a Changing Landscape is written by Pasquale De Marco a leading expert on the South Pasquale De Marco has written extensively about the region s history culture politics and economy Pasquale De Marco is a frequent commentator on Southern issues and Pasquale De Marco s work has been published in a variety of academic and popular publications The Resilient South Life and Politics in a Changing Landscape is a valuable resource for anyone who wants to understand the

changing South This book is a must read for policymakers business leaders and community activists It is also an essential read for anyone who is interested in the history culture or politics of the South If you like this book write a review **The Southern State of Mind** Jan Nordby Gretlund,1999 Remarkably removed from the devotional certifying and celebratory view of the South that has dominated books of this genre The Southern State of Mind addresses the question of whether inherited Southern values problems and contradictions have survived the onslaught of modernization BOOK JACKET

Home Front Battles Charles C. Bolton,2024 Home Front Battles examines the many effects of World War II economic and military mobilization on the Deep South It also underscores one of the primary home front battles which began with the passage of the Selective Training and Service Act in 1940 and the creation of the Fair Employment Practices Committee in 1941 banning discriminatory military training and employment practices and making it clear that the federal government would be promoting the ideal of nondiscrimination as part of its wartime mobilization efforts In the Deep South where race relations were already tense these directives and southern tradition clashed **American Conspiracism** Luke

Ritter,2024-07-02 This important collection explores the social effects of popular American conspiratorial beliefs featuring the work of 22 scholars representing multiple academic disciplines This book aims to better understand the phenomenon of American conspiracism by investigating how people acquire their beliefs how conspiratorial stories function in politics and society the role of conspiracy theories in the formation of national identities and what conspiratorial beliefs mean to individual believers Topics include QAnon the Boogaloo Boys the satanic panic the Martin Luther King Jr Assassination the Great Replacement Theory anti Catholic nativism Flat Earth belief Elvis Lives COVID 19 denial and much more Each essay is accessibly and engagingly written without compromising quality American Conspiracism is essential reading for students of psychology political science and U S history as well as journalists independent researchers and anyone interested in American conspiracies

A Hound Dog Tale Ben Wynne,2024-02-07 The release of the song Hound Dog in 1953 marked a turning point in American popular culture and throughout its history the hit ballad bridged divides of race gender and generational conflict Ben Wynne s A Hound Dog Tale discusses the stars who made this rock n roll standard famous from Willie Mae Big Mama Thornton to Elvis Presley along with an eclectic cast of characters including singers songwriters musicians record producers and managers famous television hosts several lawyers and even a gangster or two Wynne s examination of this American classic reveals how Hound Dog reflected the values and issues of 1950s American society and sheds light on the lesser known elements of the song s creation and legacy A Hound Dog Tale will capture the imagination of anyone who has ever tapped a foot to the growl of a blues riff or the bark of a rock n roll guitar **Swoon** Bea

Martinez-Gatell,2025-07-03 From Frank Sinatra in the 1940s to Harry Styles in the 2020s many of the biggest male stars in the world built their early careers on their romantic appeal to young women The lovestruck teenager gazing at pictures of her idol in magazines or screaming in hordes at a concert is a stock character in the textbooks of fame And yet no history

book has until now told her story from the start Swoon revisits six defining moments in book film and music history to uncover the story of how the fangirl became the most enduring yet disdained icon of pop culture From the Byromaniacs of Regency London to the screamers of Beatlemania these women were tastemakers visionaries and cultural disruptors Their obsessions shaped literary canons built Hollywood icons and turned musicians into messiahs long before social media came along But with power came panic Fandom became a moral and cultural battleground What was at stake was women s right to want things they weren t supposed to want feel things they weren t supposed to feel and express these things loudly shamelessly and in public Part cultural history part joyful reclamation Swoon returns the silly swooning screaming girl to her rightful place in feminist history because behind every sigh and every squeal the seeds of a revolution were stirring

Choreomania Kélina Gotman,2018 When political protest is read as epidemic madness religious ecstasy as nervous disease and angular dance moves as dark and uncouth the disorder being described is choreomania At once a catchall term to denote spontaneous gestures and the unruly movements of crowds choreomania emerged in the nineteenth century at a time of heightened class conflict nationalist policy and colonial rule In this book author K lina Gotman examines these choreographies of unrest rethinking the modern formation of the choreomania concept as it moved across scientific and social scientific disciplines Reading archives describing dramatic misformations of bodies and body politics she shows how prejudices against expressivity unravel in turn revealing widespread anxieties about demonstrative agitation This history of the fitful body complements stories of nineteenth century discipline and regimentation As she notes constraints on movement imply constraints on political power and agency In each chapter Gotman confronts the many ways choreomania works as an extension of discourses shaping colonialist orientalism which alternately depict riotous bodies as dangerously infected others and as curious bacchanalian remains Through her research Gotman also shows how beneath the radar of this colonial discourse men and women gathered together to repossess on their terms the gestures of social revolt **In Search Of Elvis**

Vernon Chadwick,2018-02-12 The International Conference on Elvis Presley convened at the University of Mississippi in August transformed a rock and roll icon into a scholarly phenomenon Educators artists and Elvis aficionados from across the worldplus over one hundred internationally based reporterscollected on Oxford Mississippi soil to analyze and celebrate Elvis impact on the world stage From this conference which became front page New York Times Magazine news springs this book the best and brightest essays and artwork swirling around the cultural social political and iconographic figure of Elvis Presley Discussed within are such topics as Elvis as Southerner Elvis as sign system Elvis multicultural audiences Elvis and rockabilly Elvis as redneck the Elvis oeuvre and Elvis religious roots Taken together In Search of Elvis represents a daring and groundbreaking academic analysis Richly illustrated with original Elvis inspired artwork this book captures the subterranean essence of one of the most phenomenal artists to have ever lived The International Conference on Elvis Presley convened at the University of Mississippi in August transformed a rock and roll icon into a scholarly phenomenon Educators

Scott Walker and the Song of the One-All-Alone Scott Wilson, 2019-10-03 Scott Walker and the Song of the One All Alone offers in detailed interpretative commentaries of his best songs a sustained assessment of the work and career of Scott Walker one of the most significant and perplexing artists of the late 20th and 21st century For Brian Eno Walker was not only a great composer and a superlative lyricist but also a significant contemporary poet Marc Almond goes further an absolute musical genius existential and intellectual and a star right from the days of The Walker Brothers As Almond suggests Walker's work is marked by a continual engagement with existentialist philosophy informing his approach to art politics and life In particular the device of the solitary figure or one all alone evoked in his songs provides the basis for his lyrical exploration of the singularity of existence in all its darkness as well as light Through following his own path Walker arrived at a unique sound according to his own method that produced a genuinely new form of song Looking closely at these songs this book also considers the wider political implications of his approach in its rejection of external authorities and common or consensual ideals **Music** Ted Gioia, 2019-10-15 A dauntingly ambitious obsessively researched Los Angeles Times global history of music that reveals how songs have shifted societies and sparked revolutions Histories of music overwhelmingly suppress stories of the outsiders and rebels who created

musical revolutions and instead celebrate the mainstream assimilators who borrowed innovations diluted their impact and disguised their sources In *Music A Subversive History* Ted Gioia reclaims the story of music for the riffraff insurgents and provocateurs Gioia tells a four thousand year history of music as a global source of power change and upheaval He shows how outcasts immigrants slaves and others at the margins of society have repeatedly served as trailblazers of musical expression reinventing our most cherished songs from ancient times all the way to the jazz reggae and hip hop sounds of the current day *Music A Subversive History* is essential reading for anyone interested in the meaning of music from Sappho to the Sex Pistols to Spotify
