Meisler,2011 This work presents a history of the Peace Corp and exposes Washington infighting presidential influence and the struggles volunteers faced abroad Not an institutional history the book is a look at the Peace Corps s first fifty years On October 14 1960 at an impromptu speech at the University of Michigan John F Kennedy presented an idea to a crowd of restless students for an organization that would rally American youth in service Though the speech lasted barely three minutes his germ of an idea morphed dramatically into Kennedy s most enduring legacy the Peace Corps From this offhand campaign remark shaped speedily by President Kennedy s brother in law Sargent Shriver in 1961 the organization ascended with remarkable excitement and publicity attracting the attention of thousands of hopeful young Americans The author unpacks the complicated history with sharp analysis and anecdotes taking readers on a global trek starting with the historic first contingent of Volunteers to Ghana on August 30 1961 The Peace Corps has served as an American emblem for world peace and friendship yet few realize that it has sometimes tilted its agenda to meet the demands of the White House Tracing its history through the past nine presidential administrations the author discloses for instance how Lyndon Johnson became furious when Volunteers opposed his invasion of the Dominican Republic he reveals how Richard Nixon literally tried to destroy the Peace Corps and how Ronald Reagan endeavored to make it an instrument of foreign policy in Central America But somehow the ethos of the Peace Corps endured largely due to the perseverance of the 200 000 volunteers themselves whose shared commitment to effect positive global change has been a constant in one of our most complex and valued institutions *A life inspired: Tales of Peace Corps Service* , Burke's Genealogical and Heraldic History of the Peerage, Baronetage, and Knighthage, Privy Council, and Order of Preference ,1963 Some sections omitted from 2nd impression of the 105th ed
