"Good afternoon Ladies and Gentlemen,

I at this moment stand here to let you know you have done us proud. It always seems to be the architect that gets the praise, but the builders do all the hard work. Well, that is not fair. All of you in this brilliant team are the builders of everything that we achieve.

I know how unselfishly you work together to get results every time, and I want to thank you sincerely. I'm flattered and honored to be able to work with you all in such a fantastic team. Let us keep building together for the future.

All your teams emerged the top, and there was such a healthy competition. The outcome was a thriving company and a happy customer who continues to set our records high. I sincerely want to appreciate each of you for being part of our team; it makes all the difference. Thank you for all that you do to ensure each department is running smoothly.

I know things have not been smooth and there have been times we have been crazy with tight deadlines and demanding clients, yet you have demonstrated a positive attitude and perseverance in such times.

Maybe you never thought we noticed your efforts and every sacrifice you go through. We have been wondering how to thank you enough for all this hard work, and it's been in our hearts for the supervisors and managers.

We have therefore decided to hold a party for all you and your families or loved ones as a simple gesture of thank you.
