personalities and theories presented only briefly on the show The book is incredibly well researched and the presentation is very readable If you've watched The Curse of Oak Island and were frustrated that snippets and possibilities were left tantalizingly unexplored this is the book for you Heather Cover Homewood Library Birmingham Alabama Sullivan isn't writing about Oak Island the TV show his subject is Oak Island the place largely as seen and imagined by the show's viewers So if you've ever been more entranced by the show's long trips into history and theoretical island encounters across history Sullivan's book probably needs to be on your Christmas list Starcasm
