Grant,1996 *Bombs, Bullets and Bread* Michael Kemp,2018-09-06 During the late 19th and early 20th centuries a wave of political violence swept across the globe causing widespread alarm Described by the media of the day as propaganda of the deed assassinations bombings and assaults carried out by anarchists both individuals and conspirators were intended to incite revolution and established the precedents of modern terrorism Much has been written about these actions and the responses to them yet little attention has been given to the actors themselves Drawing on wide range of sources the author profiles numerous insurgents their deeds and their motives *Diamonds and Deadlines* Betsy Prioleau,2022-03-29 Betsy Prioleau s biography of Gilded Age female tycoon Miriam Leslie is an appropriately twisty tale of someone trying to outrun her origins Her story sparkles as intoxicating as a champagne fountain that somebody else is paying for New York Times Book Review Among the fabled tycoons of the Gilded Age Carnegie Rockefeller Vanderbilt is a forgotten figure Mrs Frank Leslie For 20 years she ran the country s largest publishing company Frank Leslie Publishing which chronicled postbellum America in dozens of weeklies and monthlies A pioneer in an all male industry she made a fortune and became a national celebrity and tastemaker in the process But Miriam Leslie was also a byword for scandal she flouted feminine convention took lovers married four times and harbored unsavory secrets that she concealed through a skein of lies and multiple personas Both during and after her lifetime glimpses of the truth emerged including an illegitimate birth and a checkered youth *Diamonds and Deadlines* reveals the previously unknown sensational life of the brilliant and brazen empress of journalism who dropped a bombshell at her death she left her entire multimillion dollar estate to women s suffrage a never equaled amount that guaranteed passage of the Nineteenth Amendment In this dazzling biography cultural historian Betsy Prioleau draws from diaries genealogies and published works to provide an intimate look at the life of one of the Gilded Age s most complex powerful women and unexpected feminist icons Ultimately *Diamonds and Deadlines* restores Mrs Frank Leslie to her rightful place in history as a monumental businesswoman who presaged the feminist future and reflected in bold relief the Gilded Age one of the most momentous seismic and vivid epochs in American history Includes Black and White Images **The Enduring Vision of Norman Mailer** Barry H. Leeds,2018-02-21 Cultural Writing THE ENDURING VISION OF NORMAN MAILER is Professor Barry H Leeds second book about one of America s most respected most controversial and most prolific authors It looks at Mailer from where Leeds first volume left off and takes him on through his most recent works Leeds ideas are engaging his enthusiasm infectious and his prose mercifully free of critical jargon Recommended for contemporary literature collections William Gargan in Library Journal This is literary criticism with a heart and soul and with an appreciation of subject which is so often missed in contemporary analysis **The Enduring Vision: A History of the American People, Volume 1: To 1877, Concise** Paul
