Flying Magazine ,1947-07 *Death in the Midnight Sky: Flying the Mighty Gunship in Combat* Joe Berardino,2017-07-06
Death in the Midnight Sky By Joe Berardino I closed my eyes raised my chin to heaven and felt the words surround me They filled my heart with love encouragement and boundless hope I dreamt of marching over Russian tanks freeing the Jews in Europe opening schools in Africa My chest filled with pride I knew I could do anything I could live the dream of my young President My fate was sealed I knew I had to become part of the greatest challenge of my generation the new generation Patriotism served as the inspiration for Joe Berardino s tour in Vietnam flying the mighty gunship Like countless other American servicemen hard work perseverance and tenacity became ingrained in Joe s character allowing him to accomplish his life s goals including earning a scholarship to attend Michigan State University Death in the Midnight Sky is about the bravery and honor of the U S serviceman about their honor and integrity and about their inherent truth and honesty

Flying Through Life Robert J. Firth,2013-05-22 This is a story written by a pilot who followed his father into commercial aviation It is on one hand the biography of a professional pilot and on other levels provides us with insight into the mental disciplines necessary to follow such a career path The story begins with a description of his life as a kid in rural New Jersey and follows him from his first flight to his last some fifty years latter As each passage of life ends a new begins The author provides us with an understanding of what it means to be a professional aviator and what he has learned along the way about his profession and about life We see him grow as a person and as a pilot We see the world through his eyes and gain an appreciation of his accumulated experiences both funny and those no so Anyone who has spent years looking down on the world most certainly develops a different view of things than those who meander along the surface This is certainly true of the author who provides the reader with a sense of his understanding along the way **Primary Flying** United States.
