Reading Old Books Peter Mack, 2021-11-23 A wide ranging exploration of the creative power of literary tradition from Chaucer to the present In literary and cultural studies tradition is a word everyone uses but few address critically In *Reading Old Books* Peter Mack offers a wide ranging exploration of the creative power of literary tradition from the middle ages to the twenty first century revealing in new ways how it helps writers and readers make new works and meanings *Reading Old Books* argues that the best way to understand tradition is by examining the moments when a writer takes up an old text and writes something new out of a dialogue with that text and the promptings of the present situation The book examines Petrarch as a user instigator and victim of tradition It shows how Chaucer became the first great English writer by translating and adapting a minor poem by Boccaccio It investigates how Ariosto Tasso and Spenser made new epic meanings by playing with assumptions episodes and phrases translated from their predecessors It analyzes how the Victorian novelist Elizabeth Gaskell drew on tradition to address the new problem of urban deprivation in *Mary Barton* And finally it looks at how the Kenyan writer Ngũgĩ wa Thiong'o in his 2004 novel *Wizard of the Crow* reflects on biblical English literary and African traditions Drawing on key theorists critics historians and sociologists and stressing the international character of literary tradition *Reading Old Books* illuminates the not entirely free choices readers and writers make to create meaning in collaboration and competition with their models

Kikuyu Folktales Rose Mwangi, 1982

Folktales of Mayotte, an African Island Lee Haring, 2023-07-13 The book uncovers the versatility and literary skills of oral narrators in a small African island Relying on the researches of three French ethnographers who interviewed storytellers in the 1970s 80s Lee Haring shows a once colonised people using verbal art to preserve ancient values in the postcolonial world when the island of Mayotte was transforming itself from a neglected colony to an overseas department of France The author's innovation is to read ethnographic researches as play scripts to see printed folktales as accounts of live performances One storyteller after another comments symbolically on what it is like to be a formerly colonised population Storytelling women in particular combine diverse plots and characters to create traditional sounding stories which could not have been predicted from the African Malagasy Indian and European traditions coexisting in Mayotte Haring's account shows them to be particularly skilled at irony and ambiguity conveying both submissive and rebellious attitudes in their tales He makes Mayotte storytelling accessible to a new English speaking audience and demonstrates that traditional storytellers in those years were preserving but also critiquing their inherited social order in a changing world Their creative intentions cultural influences and widely different narrative styles constitute Mayotte's system of the arts of the word Literary specialists folklore enthusiasts and people who like reading stories will find much to appreciate in this engaging and sophisticated book
