

Message Discussion Guide THE GOSPEL DEMANDS RADICAL COMPASSION

The Church at Brook Hills,

Dr. David Platt

September 21, 2008

Matthew 9:35-10:42

This guide is to help you facilitate discussion with your Small Group. Use it as a resource to lead your group in discovering and owning the truths of God's Word. There may be questions you do not want to use and there may be instances where you just want to focus on a particular point or truth. Some questions may bring out emotions and cause people to dwell on their relationship with God. Your role is to facilitate this experience not to complete the discussion guide. Use this as a flexible teaching tool not a rigid teaching task list.

Connect . . .

Use one or both of the following options to introduce the discussion time to follow.

Option 1

Read the following paragraph to the group and discuss the questions that follow.

Over a period of some 300 years of terrible persecution, ten generations of Christians dug nearly 600 miles of catacombs beneath and around the city of Rome. Archaeologists estimate that perhaps a total of 4 million bodies were buried there. A common inscription found in the catacombs is the sign of the fish, the Greek word for which (ichthys) was used as an acronym for "Jesus Christ, God's Son, Savior."

- What does this fact tell us about Christianity in those times? (Observe that this practice would only be necessary if there was great persecution present.)
- What emotions does it stir in you to hear of Christians living in such secrecy and fear for their lives?
- When people see an ichthys today, do you think they envision Christianity as described above? Why or why not?
- If we were living in times like this, how do you think it would affect our mission as the church?
- If this was our situation and the cost for us was so great, would we really want to follow Christ? Explain your answer.
- If being like Christ causes us to have to live like this, do we really want to be like Christ? Remind everyone that many of our brothers and sisters in Christ still face persecution such as this. If we were in their shoes, would we be following Christ today?

Explain to the learners that the group will be studying how the gospel radically changes our lives. Persecution is promised for everyone who desires to live godly in Christ Jesus (2 Tim. 3:12). Christianity involves identifying with Christ and not the world. As a part of identifying with Christ, we must answer His call to have deep compassion for the lost.

Option 2

Invite members of your small group to share about a mission trip or a local ministry project that they have participated in. Ask them the following questions:

- What were some of the health and socio-economic circumstances that you saw? What were some of the worst living conditions that you saw?
- What are some of the emotions that you have felt in seeing people in those situations?
- What are some of the things that you did to help the people that you were ministering to?
- Were there any that you saw and had compassion for, but did not have the opportunity to minister to them? Explain.
- How did this experience help you to see people in Birmingham differently than you did before the experience?

Lead the learners to see that we must be moved with compassion in order properly respond to Jesus' commission of going to the lost. We will never be moved with compassion if we do not see people in the condition that Jesus saw them in or go where we can see them.
