Hal King helps the reader understand design and implement a food safety management system that will achieve Active  
Managerial Control in all retail food service establishments whether as part of a multi restaurant chain or for multi  
restaurant franchisees According to the most recently published data by the Centers for Disease Control and Prevention CDC  
retail food service establishments are the most commonly reported locations 60% leading to foodborne disease outbreaks in  
the United States every year The Food and Drug Administration FDA has reported that in order to effectively reduce the  
major foodborne illness risk factors in retail food service a food service business should use Food Safety Management  
Systems FSMS however less than 11% of audited food service businesses in a 2018 report were found using a well  
documented FSMS Clearly there needs to be more focus on the prevention of foodborne disease illnesses and outbreaks in  
retail food service establishments The purpose of this book is to help retail food service businesses implement FSMS to  
achieve Active Managerial Control AMC of foodborne illness risk factors It is a key resource for retail professionals at all
