Food Cultures of Israel Michael Ashkenazi,2020-11-10 This volume explores cuisine in Israel including the country s food culture history important dishes current food issues and more The evolution of Israeli food has been dependent on three major variables the geography and climate of Israel its ethnic mix and ethnic history including religious influences non Jewish communities and heavy immigration from around the world and technical innovation that has enabled Israel to become a leader in agricultural technology This book provides a comprehensive picture of Israeli food culture in the twenty first century examined on the

basis of the various influences that created this particular culture. Such influences include the lengthy food history that can be traced to prehistory including data from the Bible and Koran and archaeological evidence as well as contemporary food practices that have emerged as a mix of influences from different ethnic groups. Modern Israeli food practices are the result of the sway of European, Middle Eastern and other cultures creating a cuisine that is marked by its blends. Main topics are accompanied by easy to follow recipes. The book serves as an introduction to daily life in Israel as well as the evolution of food practices in a relatively new country. *Vegetarian Times*, 1990-12 To do what no other magazine does. Deliver simple delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal To embrace both. *World Food* Mary Ellen Snodgrass, 2012-09-15 This multicultural and interdisciplinary reference brings a fresh social and cultural perspective to the global history of food, foodstuffs and cultural exchange from the age of discovery to contemporary times. Comprehensive in scope, this two-volume encyclopedia covers agriculture and industry, food preparation and regional cuisines, science and technology, nutrition and health and trade and commerce as well as key contemporary issues such as famine relief, farm subsidies, food safety and the organic movement. Articles also include specific foodstuffs such as chocolate, potatoes and tomatoes, topics such as Mediterranean diet and the Spice Route and pivotal figures such as Marco Polo, Columbus and Catherine de Medici. Special features include dozens of recipes representing different historic periods and cuisines of the world, listing of herbal foods and uses and a chronology of key events in food history.
