To Whom It May Concern:

The purpose of this letter is to recommend Garrett Larson as a candidate for scholarship consideration. I have interacted with Garrett in a number of capacities during my tenure as Head Football Coach/Educator at Fruitland High School.

Garrett has an outstanding rapport with his peers and is very well liked by staff as well. I have always found Garrett to be reliable, conscientious, personable, intelligent, and to have the highest of moral standards.

Garrett has been involved in a number of activities as a student /athlete here at Fruitland High School. He has participated and excelled in community service as well as playing Football (playing in 3 State Championship games) and Wrestling. In each case, the feedback I received has always been extremely positive whether it is from a fellow coach, parent, teacher or peer.

Garrett has the kind of work ethic rarely found in high school athletes today. Garrett's day typically starts with a 7am Strength & Conditioning class, followed by 7 academic classes. What has impressed me the most is Garrett coming in 7th hour, prior to practice, and doing additional strength and footwork drills on his own. Garrett would then attend a 2 hour practice and return home to do homework and study. Garrett has learned to budget his time, an outstanding quality for a young man.

Garrett is very conscientious and motivated in the classroom as well. His 3.1 GPA is the result of commitment and diligence in his academic endeavors.

He is very well respected by the faculty and students alike. He is friendly and open and has been an integral part of our football program during my tenure at Fruitland High School. Garrett was recently rewarded by being named to the first team Offense on the 2012 & 2013 Idaho All-State football team.

It is without reservation that I recommend Garrett Larson for scholarship consideration. Please feel free to contact me at (208) 989-9246 at my home or (208) 452-4411 ext. 109 at Fruitland High School with any further questions.

Sincerely,

Bruce Schlaich

Football Player Recommendation Letter:

Co-Piloting Jim Haslam, John Driver, 2020-08-25 This is the remarkable story of one of our nation's luckiest business leaders of the 20th and 21st centuries. Its topics include sports, military history, and of course business principles that are sure to entertain and add value to readers of business books and memoirs. All proceeds from the sale of this book will benefit nonprofits that support small business, entrepreneurial and community-based ventures so that like Jim Haslam, others also may be afforded the chance to be fortunate in their own unique endeavors. Meet James A. Haslam II, Big Jim as he is called by friends and family. The details of his life, his family, and Pilot Company comprise a truly remarkable American story that has yet to be widely told, mainly because Haslam has always refused to write about himself. However, after years of less than gentle prodding from his loving family and though under duress, he has finally relented and agreed to pen the incredible story of luck and leadership that has taken him all over the world, has enriched lives in countless communities, and philanthropic endeavors, and has led to the growth of the beloved company he founded and still serves daily, even into his late eighties. A graduate of the University of Tennessee, Haslam played on the famous 1951 National Championship football team led by coaching legend and mentor General Robert R. Neyland, whose renowned Game Maxims inspired Haslam's own viewpoints of life and leadership in family business and in the art of giving back. From being promoted to Company Commander in Korea at the age of twenty-three to starting out at a small oil company with only one gas station, you will follow the unlikely, harrowing, and often hilarious story of luck and leadership that has led Jim Haslam and his family to serve an unbelievable number of industry, community, and philanthropic endeavors, affecting countless people in numerous communities, not the least of all Knoxville, and of course the beloved university Haslam truly believes has afforded him so much opportunity in life. Through great loss and great luck, unforeseen tragedy and unlikely triumph, the story of the Haslams and Pilot Company offers a unique, entertaining, and encouraging perspective to family, faith, and the discovery of what really matters the most in life. Friends and family also offer their unique stories and insights, including contributions from Peyton Manning, Phillip Fulmer, Rick Barnes, Senator Lamar Alexander, former Walmart CEO Lee Scott, former Tennessee Governor Bill Haslam, and many more.

The Country of Football, Paulo Fontes, Bernardo Buarque de Hollanda, 2014-06-15 Brazil has done much to shape football, soccer, but how has soccer shaped Brazil? Despite the political and social importance of the beautiful game to the country, the subject has hitherto received little attention. This book presents groundbreaking work by historians and researchers from Brazil, the United States, Britain, and France who examine the political significance in the broadest sense of the sport in which Brazil has long been a world leader. The authors consider questions such as the relationship between soccer, the workplace, and working class culture; the formation of Brazilian national identity; race relations; political and social movements; and the impact of the sport on social mobility. Contributions to the book range in time from the late nineteenth century when the British first introduced the sport to Brazil to the present day as the country of soccer prepares itself to host

The Changing Landscape of School Leadership M. Scott Norton, 2015-12-31 The primary focus of the book is to emphasize the

major changes in the leadership responsibilities of the school principal and to underscore the necessity for them to gain new knowledge and skills in order to direct their leadership toward meeting the new changes in school community goals and objectives M Scott Norton emphasizes the fact that contemporary issues and problems must be viewed as symptoms of change The symptoms represent administrative tasks that must be attacked by implementing the primary reason that the school principal is hired that of leading on going change The leader s responsibility focuses on school purposes as set forth in a viable school mission statement The school s mission statement that all too often is set forth as a public relations perspective must instead set forth answers to questions such as What is our purpose Why does our school exist What is our reason for being here How do we meet the on going changes that face us educationally The leadership of the school principal attacks the symptoms of change by collaborating with the school s faculty to set forth a mission to which all members can commit Collaboration infers a unification of members commitments toward the primary purposes of the school Collaboration and opportunities to confer on an on going basis are established Although the school principal s hands are often tied by such factors as lack of resources underfunded unfunded mandates inability to hire and retain highly qualified personnel and constantly changing program requirements related to student testing and teacher performance evaluation this book places emphasis on the principal s need to become a visionary change agent in order to attack the ever changing symptoms of educational change
