

No matter the weather,  
No matter the pain,  
The kick always starts the game,  
The team runs it back as far as they can  
And the opposing team must defend  
Run or pass you don't want to finish last.  
Four fifteen minute quarter to decide the winner.  
Practice is the key to a successful team  
Playoffs are where they want to be.  
The loser goes home empty handed  
And the winner moves on.  
With the Super Bowl in view  
The lucky few will take home all the glory.  
And that's the end of my story.

*Poetry - From Reading to Writing* Robert Hull, 2009-12-04

Poetry From Reading to Writing covers the process of writing poetry from reading poems through to writing them. It is intended particularly for teachers at key stage 2 level but other teachers will also find it valuable. It is clearly and accessibly written and jargon free. In providing a wealth of practical ideas and activities preparing for the writing of poems, the book also stresses the use of talk, improvised drama and the reading and performance of poems. The author, who has published four collections of poetry, uses his own work and the work of others to explore how creative readings of poems can spark a child's imagination and lead to original writing. Pupils are encouraged throughout the book to explore different forms of poetry including Rhyming and non rhyming poems, Riddles, Short poems, Haiku, tanka, renga, Poems from stories, Free verse, Narrative poems, Poems drawing on current affairs and history. This book can be used by both pupils and teachers and contains motivating tasks and tips to build pupils' confidence in poetry writing. Explicit links are made throughout to the latest primary framework for literacy, making this an invaluable resource for all practising and trainee teachers who wish to teach poetry in the classroom in a creative and enjoyable way.

A Creative Approach to Teaching Rhythm and Rhyme Andy Croft, 2015-04-23. The content of this book is based on the Andy Croft's experience of working with children in over 400 UK schools and will provide teachers with ideas, games, examples and models that they can use in the classroom to encourage their children to become writers and readers through the practice of rhyme and rhythm. He strongly believes that you don't have to be good at English to be able to enjoy the music of ordinary speech. Using rhythm and rhyme is a democratic creative act that is equally hard and equally easy for everyone. It has special rules which won't let you reach for the first word that comes into your head. Your words have to fit the pattern. You don't have to write anything down but you do have to become a writer. And once you have become a writer, you might become a reader.
