For God Country A Creed Novel:

In "God's Country" Dora Higbee, 1889 *God's Country* Samuel Goldman, 2018-02-02 The United States is Israel's closest ally in the world. The fact is undeniable and undeniably controversial not least because it so often inspires conspiracy theorizing among those who refuse to believe that the special relationship serves America's strategic interests or places the United States on the right side of Israel's enduring conflict with the Palestinians. Some point to the nefarious influence of a powerful Israel lobby within the halls of Congress. Others detect the hand of evangelical Protestants who fervently support Israel for their own theological reasons. The underlying assumption of all such accounts is that America's support for Israel must flow from a mixture of collusion, manipulation and ideologically driven foolishness. Samuel Goldman proposes another explanation. The political culture of the United States, he argues, has been marked from the very beginning by a Christian theology that views the American nation as deeply implicated in the historical fate of biblical Israel. *God's Country* is the first book to tell the complete story of Christian Zionism in American political and religious thought from the Puritans to 9/11. It identifies three sources of American Christian support for a Jewish state: covenant or the idea of an ongoing relationship between God and the Jewish people; prophecy or biblical predictions of return to The Promised Land; and cultural affinity based on shared values and similar institutions. Combining original research with insights from the work of historians of American religion, Goldman crafts a provocative narrative that chronicles Americans' attachment to the State of Israel.

God's Country, America's Heartcry Kay Dee Lilley, 2010-06 I Kay Dee Lilley am a concerned wife, mother, citizen and an American Patriot at heart. My heart's desire is for the truth to be told to all Americans that America is God's Country and our foundation is His heart cry to spread His liberties throughout our nation. My book will show through our American symbols, currency, monuments, Founding Fathers, Presidents and many quotes that America is a Christian nation built on Judeo-Christian Principles. Henceforth, the name of this book is *God's Country America's Heart Cry*. God is counting on us to arise, stand up, speak up, to use our voice to declare His choice to restore the foundation of America. America's future depends on us. We, the People, to come together in agreement to use our God-given liberties to defend our freedoms. Will you accept the challenge? *James Oliver Curwood* Judith A. Eldridge, 1993 Now he would become an avid conservationist in the early days of that movement, a change that would lead indirectly to his death 13 years later. **God, Country and Tattoos: A cry for Freedom** Dennis E. Dwyer, 2011 Publisher Marketing From Dancing with the Devil to Living for the Lord, He served in the American Armed Forces. Now a soldier of the cross and fights still to turn America back to God. In *God Country and Tattoos: A Cry for Freedom*, Dennis Dwyer, biker award-winning tattoo artist and seminarian, recounts the history of the tattoo arts and expounds on America's Bible-based origins. America has changed over the last four decades and not for the good. From the unique vantage point of his tattoo parlor and by exchanging personal journeys and stories with thousands of people from across America and the world, Dwyer takes a loving look back at America's history while viewing the future with a tear in his

eye Still Dwyer sees hope for America America has hope if we act now sharing America s incredible history and rich spiritual foundation with younger generations God country and tattoos each of these three through the tension each creates in the others has shaped my life forming the foundation upon which I stand the author writes You will be inspired and moved as you read of Dwyer s broken past new birth in Christ and his plea to America to return to God in God Country and Tattoos A Cry for Freedom Dennis Dwyer is an Eagle Scout Navy veteran avid student of American history and a patriot who loves America and the biblical principles upon which she was founded In his over 40 years as a world traveling professional tattooist he has made over 40 000 marks He has served as Executive Director of APT Alliance of Professional Tattooists co directed the Tattoo Tour for 10 years and owned and operated Ancient Art Tattoo of Tucson for 25 years He has performed associate pastoral work in his church for ten years and now studies at Phoenix Seminary
