Newman,2018-07-26

This new Brief Sixth Edition of David Newman s text is the streamlined version of Sociology Exploring the Architecture of

Everyday Life with the same goal to be a textbook that in the author's words reads like a real book Newman shows to see the unfamiliar in the familiar to step back and see organization and predictability in their take for granted personal experiences Newman uses the metaphors of architecture and construction to help students understand that society is not something that exists out there independently of themselves it is a human creation that is planned maintained or altered by individuals Instead of surveying every subfield in sociology this text focuses on the structural features of society the social construction of self and identity and social inequality in the context of social institutions The new edition includes examples and analysis of contemporary events and trends including The changes in our national politics brought about by the 2016 presidential election Increasing societal attention paid to fatal encounters between police and unarmed people of color or incidents of sexual harassment and assault School shootings and the debates over gun ownership The continued dramatic growth of communication technology particularly social networking sites

**Sociology** David M. Newman, 2015-06-24 The Fifteenth Edition of Sociology uses vivid prose current examples and fresh data to present a unique and thought provoking overview of how society is constructed and experienced With his approachable writing style and lively anecdotes author David M Newman's goal from the first edition has been the same to write a textbook that reads like a real book *The Art of Complaining* Phil Edmonston, 2013-09-02 Defective cars contaminated food insurance company abuses botched vacations or government errors and indifference these issues and more are examined in The Art of Complaining Phil Edmonston's newest book helps consumers come out ahead when products services and organizations fail to deliver
