Niramisa Weiss, 2014-03 It is one thing struggling to forgive our nearest and dearest those foolish squabbles that leave us bitter and upset But what about the big stuff that which we cannot comprehend While we fail to understand why humans behave so atrociously we must cherish the belief in evil and harbour condemnation in our hearts for our fellows And while there is any justification for condemnation we will not know peace What if we were sure that every regrettable act any human being has ever committed was utterly unavoidable What if we knew we would all do exactly the same given the same set of circumstances What if we could finally see that the cause of all our woes is a simple error in thinking that everyone shares in equal measure The liar in the human mind is our one and only problem When it is clear that evil cannot be real and that every unforgivable act is caused by a mistaken belief in falsity our eternal innocence will be impossible to deny If God were real we ask how could He let these terrible things happen to the innocent Let s find out why God has nothing to do with any of it regardless of whether He exists or not Together we will discard everything obstructing our awareness of love Together we will forgive the unforgivable Are you ready for the next perfect step Forgiveness Darold Bigger, Gary Kent, 2022-03 Forgiveness does not mean we have to forget what happened Forgiveness does not mean we condone the evil Forgiveness does not mean we excuse the perpetrator Forgiveness does require that we face reality even when it is unpleasant Scars may remain but no lessening of hostility is possible without a serious attempt to let go and to release animosity

From Phenomenon Labyrinths To Midnights of Zugzwangs Or Missing Apparitions in Yūgen Recordings I Engin Yurt,2021-03-01 But in the thought experiment of forgiving a forgiving there is something is dilemmatic and blurring There are no ultimate good or ultimate bad sides There is no unspeakably bad impossible to forgive thing There is only a god forgiving the human souls It is almost silly and absurd to see this action as a hurtful disturbing and a bad thing The god s forgiving all human souls is really not a matter of forgiving not at all It is really not related to the sphere of forgiving and not forgiving just like the occurrence of leaves of the trees falling on the soil from the trees is not something ethically bad or good The god s forgiving all does not belong to the dimension of forgivable unforgivable things But nonetheless god s this forgiving causes something in the heart of the human A sense of fairness and justness is broken by this act of forgiving by god Some souls not all of them now have to forgive god s forgiving They have to find a way to forgive something that doesn t even belong to the realm of forgivable unforgivable dichotomy They have to forgive that god doesn t hold its side of the bargain If the other side of the bargain would not follow what is required by the agreement then what was the point of keeping this side of the bargain if in the end everyone would be treated the same In

the act of forgiving all there is a violence a violation a trespass This violence is two folded It is both about not keeping the requirements of the bargain and also about conflicting the content of it But how can one see a forgiving a grace an ultimate goodness and kindness as something within the realm of forgivable unforgivable The god s forgiving is so not something belongs to the realm of forgiving that it doesn t open itself to neither forgiveness nor unforgiveness But what about heart s mathematics
