Missional Discipleship After

Christendom Andrew R. Hardy, Dan Yarnell, 2018-03-14 It is not a changing culture reduced resources or a rescinding Christian memory that creates the greatest challenges for the church in the West It is the lack of a clear commitment to the intentional authentic and contextual expressions of missional disciple making which will shape current and future generations of followers of Jesus to express the values of the Kingdom today This book offers stimulating historical biblical and theological reflections on discipleship and considers some of the possibilities and opportunities afforded to us by our post Christian context Missional discipleship allows the missio Dei to shape us in our engagement our practices and sustain us in the lifelong journey of becoming and developing disciples that follow Jesus today

Christian Mission in a Diverse

British Urban Context Johnson Ambrose Afrane-Twum, 2024-02-01 In the globalized twenty first century there is greater need than ever for intercultural approaches to advancing the gospel in multicultural urban contexts In this book Dr Johnson Ambrose Afrane Twum explores the history of African immigrant churches in the UK Examining the implications of black theology in the context of Britain s multicultural landscape he offers suggestions for how black led churches can partner with white majority churches for greater impact in urban ministry and evangelism Such a partnership he suggests would enable both communities to challenge aspects of their respective cultures and theological approaches recentring both on biblical truth It would also provide a model of Christian mission built on mutual respect and love transforming urban communities through an accessible and unifying gospel

Body and Blood Andrew R. Hardy, Keith Foster, 2019-06-07

The largest missional challenge facing the church of Christ in the West is to equip every member to engage in missionary endeavor in third places Third places are those social zones in society like coffee shops gyms shopping malls pubs etc that everyone and anyone can meet in as commonly owned spaces The authors argue that for too long the church has not equipped and trained its members to engage in mission in the public square The mobilization of every member to become the hands and feet of the missional sacramental body of Christ to carry the message of God s generous love to not yet Christians is vital if we want to witness the kingdom reign of God extend into their lives Places are important to the sovereign Lord of mission and this book challenges the churches of Christ to become what they properly need to be equipping agencies for every member mission and ministry

Power and the Powers Andrew R. Hardy, Richard Whitehouse, Dan Yarnell, 2015-10-12 Missio Dei by its very nature requires the church to come to terms with the exercise of power both internally and externally as it confronts the world Tune in to any newscast or glance at the daily newspaper and it immediately becomes clear that the use and abuse of power is a live issue The more we focus on the twists and turns of current events the more it appears that uncorrupted exercise of power eludes the human race All too often we become uneasily aware that there are powers lying behind the power that any of us wields whether it is in the family the classroom on the shop floor in the boardroom or in churches

Effective missional leadership involves creative engagement with the powers at work in the world without being debased by them. This book sets out to address the issue of the use and misuse of power from biblical theological and practical perspectives. The authors bring their theological, pastoral, missionary, and personal experience to their task in order to inform, challenge, and invite readers into a responsible use of the powers that God has put into the hands of each one of us to achieve his purposes in the world.

Polyphonic God Israel Oluwale Olofinjana, David Wise, Usha Reifsnider, 2025-07-31 In *Polyphonic God*, theologians and practitioners together contend that intercultural churches are significant in multicultural British society and serve to create a counter-cultural kingdom narrative demonstrating how we can find unity in the midst of diversity and how this can enrich the lives of everybody involved.

North American Cross-Cultural Church Planting Glenn Rogers, 2008-05-01 Dr. Rogers explains how to plant churches cross-culturally, the best way to reach ethnic groups, sharing with them the story of Jesus leading them into a reconciled, renewed relationship with God.

Technicolor Mark Hearn, 2017-06-01 By the year 2050, the United States will no longer have a majority ethnic group. The nation's population will be majority-minority. This future nationwide reality has already been a present reality in several cities, including many in the urban south, for nearly a decade. In a 2011 State of the City Address, the mayor of pastor and author Mark Hearn's city said there were fifty-seven languages spoken at the local high school. Hearn left asking himself, "How should our church respond?" In the years that have followed, a phenomenal transformation has taken place. This transition has been chronicled in the *Gwinnet Daily Post*, the *Christian Index*, the *Wall Street Journal*, *Lifeway's Facts and Trends*, and the *Atlanta Magazine*. Now Hearn shares the life-changing story through his own lens. By reading his firsthand experience of this transition as a pastor, you too can be equipped to make the shift to church in technicolor.

Beyond Multiculturalism Charles A. Cook, Lorajoy Tira-Dimangondayao, Lauren Umbach, 2024-10-29 The Canadian socio-cultural landscape is undergoing constant transformation due to immigration. Communities of faith have traditionally embraced this diversity through a stance of hospitality framed by a modern idea of multiculturalism. However, the modern idea of multiculturalism often falls short of fully integrating newcomers into the family life and leadership of a congregation. As diverse cultural expressions of world Christianity continue to blossom throughout Canada, both new and established Canadians must explore relational approaches to transcend historical, cultural, racial, and linguistic divides. The goal is to foster genuine community and forge deeper covenantal unity, allowing the transformative nature of King Jesus to be evident to the world. *Beyond Multiculturalism* advocates for Christians to showcase tangible examples of Jesus Kingdom culture in which humility, compassion, and self-giving love are valued. Authored by Canadian scholars and practitioners representing twelve ethnicities and ten denominations, the chapters delve into various theological, sociological, and pragmatic aspects that churches should address.

These considerations aim to guide churches into deeper conversation enabling them to align with the evolving dynamics of God's work in Canada and worldwide Cultural Change & Your Church Michael Pocock, Joseph Henriques, 2007-02-01 In our communities composed of people from various cultures countries and backgrounds where does the church stand How representative is it And how can local churches best minister and evangelize within an increasingly multicultural society Cultural Change and Your Church is an invaluable resource for understanding the transformation of our cultural landscape and most importantly for learning how to embrace the resulting opportunities to minister to all people Michael Pocock and Joseph Henriques consider the Bible's examples and teaching related to diversity introduce several churches currently modeling cross cultural ministry and suggest hands on ways for church leaders to encourage change and proactive thinking

Building a Healthy Multi-ethnic Church Mark DeYmaz, 2010-12-23 Through personal stories proven experience and a thorough analysis of the biblical text Building a Healthy Multi ethnic Church illustrates both the biblical mandate for the multi ethnic church as well as the seven core commitments required to bring it about Mark DeYmaz pastor of one of the most proven multi ethnic churches in the country writes both from his experience and his extensive study of how to plant grow and encourage more ethnically diverse churches He argues that the homogenous unit principle will soon become irrelevant and that the most effective way to spread the Gospel in an increasingly diverse world is through strong and vital multi ethnic churches Ethnic Blends Mark DeYmaz, Harry Li, 2010 In this Leadership Network Innovation series book Ethnic Blends Mark DeYmaz will help you navigate seven common challenges in building a healthy multi ethnic church The rise of multi ethnic churches could become the new Reformation in this century Yet the movement is in a pioneer stage and there have been few road maps until now Reaching Multicultural Communities Michael R. Funk, 1974 Growing Multicultural Churches Iosmar Alvarez, 2018-02-09 The purpose of this book was to identify the factors that impact growth in Multicultural Churches in the context of 21st Century America The book utilized participant questionnaires interviews and focus groups Data was collected over a period of six months This book attempted to identify church growth factors within a research population comprising seven Hispanic United Methodist church plants in the Kentucky Annual Conference This population contained churches with an average attendance above fifty and churches with an average attendance below fifty The identification of such factors will help pastors and leaders to identify the best church planting practices for Multicultural church development in response to the rapidly changing multicultural 21st Century American landscape It also identifies the factors inhibiting the growth of Latino Latina churches conformed by many cultures in their congregations **We are the Church Together** Charles R. Foster, Theodore Brelsford, 1996 Is there anything distinctive about what it means to be church in a culturally diverse congregation Does the cultural diversity of a congregation affect the way it seeks to form and renew itself as a community of faith On the scene research in three culturally diverse congregations in a large southern city answers these questions in ways that are sometimes encouraging sometimes disappointing but always stimulating The

authors point out that embracing cultural diversity in congregations requires a radical rethinking and reconfiguration of conventional theological educational and polity assumptions

Denominational Programs for Multicultural Church Planting Guillermo Roberto Mac Kenzie, 2014

Multicultural Ministry David A. Anderson, 2009-08-30 David Anderson writes about multicultural leadership not from the perspective of an ivory tower intellectual but as a hands on practitioner who loves and believes in the body of Christ If you believe there is no solution to the race problem I urge you to reconsider and to learn from someone who is on the frontlines of making multicultural ministry a reality in the church today Bill Hybels founding and senior pastor Willow Creek Community Church Multiculturalism isn't a trend it's a reality Evidence of this country's rich racial mix is all around us in our schools our stores our neighborhoods our recreational facilities everywhere except our churches Heaven may include every culture tongue and tribe but in the United States Sunday morning remains one of the last bastions of ethnic separatism It's time to stop merely talking about multicultural worship and start living it In this groundbreaking book David Anderson invites us all African American Asian Caucasian and Latino to learn how to dance the dance of multicultural ministry We've all got different moves but that's the beauty of diversity the various gifts we bring the wisdom of our heritages the different creative ways we express the same Lord Think it can't be done Think again As Anderson demonstrates it is being done successfully by more and more churches Wherever your church is now on the multicultural continuum you can join the ranks of those moving toward a diverse and thriving ministry Combining frontline insights with inspiring stories Anderson takes you and your church into the strategy level realities of what it takes to make multicultural ministry work in your setting Do you hear the beat of the Spirit God is calling your church to the dance of unity in diversity Don't hold back Grab this book get out on the dance floor and let Multicultural Ministry show you the steps Includes a Racial Reconciliation survey and six session Racial Reconciliation curriculum

Leading Multicultural Teams Evelyn Hibbert, Richard Hibbert, 2014-05-28 Churches and mission agencies are increasingly characterized by cultural diversity As a result many Christians find themselves working as part of a multicultural team Leading these teams is a complex challenge that requires team leaders to understand how to help multicultural teams thrive Team leaders need to know how to help team members grow in particular qualities and acquire specific skills related to multicultural teamwork This book integrates insights from the Bible team theory leadership and intercultural studies to explain how leaders of multicultural teams can help their teams become enriching and enjoyable contexts to work in at the same time as achieving their purpose

The Multicultural Leader Dan Sheffield, 2005-01-01 This book is intended as a resource and training tool for multicultural ministry practitioners and other professional Christians working in an urban ministry context Along with the growing interest in the intentional development of multicultural congregations there is also a significant lack of practical resources to support such ministry Dan Sheffield brings a missiologist's perspective to this discussion that has been shaped by experience in North America's multi ethnic reality by church planting experience in urban South Africa and by ongoing

work with pastors in multi ethnic megacities as diverse as Manila Mumbai and Budapest The Multicultural Leader specifically deals with the role of congregational leadership in embedding the multicultural vision as a way of seeing The author draws from social theory biblical studies theological reflection leadership studies social research and intercultural communication skills to develop a profile of leaders necessary to initiate and sustain the multicultural congregation The author s conclusion is that leaders in multi ethnic congregations must move through a personal development process from ethnocentrism to ethno relativism in order to truly serve as enablers of multicultural congregations Dan Sheffield is Director of Global and Intercultural Ministries for the Free Methodist Church in Canada He has served as a church planting pastor in Pietermaritzburg South Africa and adjunct lecturer at the Evangelical Seminary of Southern Africa where he taught spiritual formation and conflict resolution to a multi ethnic student body
