rescue Mitchel hates the Ruinos as much as her father does She never expects one of those aliens to latch onto her and protect her from other Ruinos as well as the Arra when she s held captive aboard the Arran spaceship In fact although she doesn t want to admit it she feels safe when she s around him Which is why when she sees the chance to escape she takes him back down to Earth with her Now her heart s divided between wanting to still hate the Ruinos and caring for Neeallt who s beginning to mean a lot to her Unfortunately the town is divided between those who support the Ruinos and those who don t even though the Ruinos are working hard to blend in hoping to find their mates among the humans as they try to make an honest life for themselves Their common enemy is the Arra who are orbiting the planet and waiting for their chance to kidnap the human females in order to force the Ruinos to mate with them as a way to increase their numbers Despite the good the Ruinos have done the townspeople want the aliens gone and Mitchel is faced with losing Neeallt or staying with him Maybe it s time they both move on from Tumbril Harbor and find some place safer A place they can call home No one was prepared for the Arra s next move despite all their precautions

Hark! It's Harold the Angel Singing! Lynn Gayle,Linda Mooney,2022-12-12 It's supposed to be the most wonderful time of the year but Leyland Scott is down in the dumps It's his first Christmas since losing his mom it's possible his job of over twenty years is about to be axed and he just can't find it in himself to care about anything really Except for one thing Lynette who works at the coffee shop She's the only bright spot in his day Lynette is fairly new in town having made the move to the

big city a few months ago to find herself She's struggling to make ends meet but she's determined to prove she can make it During that short time she's become interested in Leyland who frequents the coffee shop And when he finally asks her out she's skeptical at first but agrees only to discover she's happy she did The two have a common concern when they hear the wildly enthusiastic if a bit all right a lot out of tune Christmas carols being belted out by an underdressed kid wearing angel wings and no shoes It's freezing outside with snow covering the ground but the boy appears unfazed and continues merrily singing his heart out in front of passersby No one knows who the kid is but Harold as they end up naming him seems to know them all Normally not a religious man Leyland has a change in spirit The angel boy seems to deliver a message letting him know this is his opportunity for a fresh start He's told when one door closes another door opens Perhaps God with the help of Harold has opened that door If that's true Leyland is ready to go through it with Lynette It's the most wonderful time of the year Maybe it's also time for a new beginning for them both
