Game Guide Playstation:

A Beginners Guide to Using PlayStation 4 (PS4) Katie Morris, 2014-11-10 Congratulations on your purchase of what Sony Computer Entertainment touts as the world's most powerful gaming console the PlayStation 4. In its first year alone the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features. In 2014 it won gaming mega website IGN's People's Choice Award for best console in competition with the Xbox One and Wii U. Accordingly the PlayStation 4 dominated gaming console sales throughout 2014 making it one of the best and fastest selling gaming consoles ever designed. In addition to its beefier hardware Sony has added a variety of new and innovative features including the DualShock 4 controller the PlayStation Camera and the PlayStation Move controller. Additionally with the new system players can connect their smart phones tablets PS Vita or PS TV to act as second screen interfaces to interact with your PS4. The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences. Third party apps such as Netflix and Hulu can now be displayed directly on the main screen for faster access. Additionally the system now can be controlled using voice commands from a microphone headset or from the built in microphone on the PlayStation Camera. With the release of the PlayStation 4 Sony has begun to emphasize social gaming which goes far beyond mere multi player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button. Ever wanted to share a video of yourself beating that final boss with your Facebook friends? With the PS 4 this is now possible with just a couple of button presses using the new Share button on the DualShock 4 controller. In addition to faster and easier access to internet services like Netflix and Amazon Instant Video the PlayStation 4's built in web browser is based on the same engine used by Google Chrome and the new Safari web browser making it the most compatible browser available on any console. Whereas in the past and with other consoles web browsing could be a bit of a headache when it comes to things like accessing YouTube videos the PS4's web browser is as easy and intuitive as the web browser on your computer and it's automatically compatible with the web's most advanced websites. This guide will introduce you to how to use the most advanced features of the PS4. Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend the Sony PlayStation 4. Please note this book is neither written or endorsed by Sony and should be considered unofficial.

The Video Games Guide Matt Fox, 2013-01-17 The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present day releases on the PlayStation 3 Xbox 360 Wii and PC. Each game entry includes the year of release the hardware it was released on the name of the developer publisher a one to five star quality rating and a descriptive review which offers fascinating nuggets of trivia historical notes

cross referencing with other titles information on each game s sequels and of course the author s views and insights into the game In addition to the main entries and reviews a full color gallery provides a visual timeline of gaming through the decades and several appendices help to place nearly 3 000 games in context Appendices include a chronology of gaming software and hardware a list of game designers showing their main titles results of annual video game awards notes on sourcing video games and a glossary of gaming terms

[A Beginners Guide to Using PlayStation TV](#) Katie Morris,2014-11-03 So you re about to welcome the newest addition to the Sony PlayStation device family into your life the PlayStation TV Our prediction is that the PS TV represents a huge step forward for Sony and the beginnings of a much brighter and cheaper cloud based future for console gaming PS TV brings together a significant cross section of the PlayStation back catalog in one relatively inexpensive device thanks to PS3 game streaming through PlayStation Now Sony s Cross Buy initiative and PS TV s Remote Play feature which allows you to stream your own PS4 screen to another television in your house through PS TV The PS TV also opens up classic PS2 PS3 and PSP games to satisfy older gamers nostalgia and introduce younger gamers to the games that hooked their parents and if you re wondering yes Final Fantasy VI is still just as great as you remember it being This guide will tell you everything you need to know about the PS TV and then some There s plenty of information here for total PlayStation newbies wondering what in the world Dualshock is as well as for seasoned PlayStation players hoping to tie years and even decades of PlayStation experience together through the PS TV In Chapter 1 Meet the PlayStation TV we ll catch you up to speed on the world of PlayStation and give you an overview of the services and accessories that make the PlayStation world turn In Chapter 2 PS TV Basics we ll help you unpack and set up your PS TV navigate it customize it and take care of it In Chapter 3 Gaming on PS TV we ll go into lots of detail about the various ways you can play with PS TV Chapter 4 Onboard PS TV Applications gives you a detailed tour of every single application on your device with tips and tricks for getting the most out of each one Finally in Chapter 5 Recommended Games we ll share some of our favorites with you So tell your significant other and your boss that you re going to be unavailable for the foreseeable future as you explore everything PS TV has to offer and read on to learn how to get the most out of PlayStation TV
