Not A Typical Meet-Cute Lisa Oliver, 2024-05-24 Not A Typical Meet Cute A Quirk of Fates Short 3 Welcome to the small town of Appleton where if it's meant to happen it will Locryn a Fae with a love of rain and puddles has been working as a hair stylist in the friendly town for the past five years He enjoys his life full of friends who might not know the truth about him but they care about him all the same Which is why when a new man moved to town the ladies who frequented Locryn's salon were quick to tell him about the tattooed stranger That's why we're in Appleton No paranormals No covens No wolf packs and no weird mages running around in their fancy robes trying to summon me every five minutes Demon Zac moved to Appleton for the peace and quiet He was tired of getting himself into trouble just trying to fit in In Appleton he could be himself ply his business as a well respected tattoo artist and and well a few hobbies were mentioned but for now Zac was focusing on his business and getting to know the locals If it's funny business you're after then close the door and ensure the blinds are drawn No point in giving the locals out for their evening meal a free show The Fates are canny ladies who know when to give a subtle push when it comes to bringing unlikely couples together Although to be fair this time the fault could lie with Locryn's interfering father But when Locryn and Zac do meet face to face for the first time Zac is shocked to learn that sex and a bite aren't enough to be considered a couple in the quaint town There's a courting ritual to go through as well and couch buying This very short 22 800 words story is a standalone that I was compelled to write I wanted sweetness and fun with just a tiny bit of angst I think this one hit the spot This is a complete story and can definitely be read as standalone

Saving Moses Lisa Oliver, 2023-02-08 Moses lived from moment to moment He had no past and his future was always in doubt Living in the moment was his only means of survival Until a biker with a sense of other walks into the bar where he works and changes his world forever Moses no last name because a slave didn't deserve one moved through one moment to the next in full survival mode His owner Conrad called him Frog and even shaved his head so he'd look like one Moses spent his day serving at the bar making chicken wings and burgers and then cleaning every night when Conrad locked him in once the bar was closed Dwelling on his past brought Moses no joy and Conrad had already told him he had no future All Moses could do was appreciate flashes of joy while trying to avoid the fists that often came his way Tucker no last name because he was an alpha wolf and didn't need one was getting tired of his restless animal half dragging him across state boundaries in an endless quest to find his fated mate Striding into a bar in a place called Dusty Dew of all things all Tucker hoped for was a cold beer and hot wings What he got was so much more He just didn't realize he was going to have to rescue the prize he'd been looking for Torn between avenging the injustices Moses had suffered and keeping his mate safe Tucker did what he had to do But the journey home wasn't without problems and Tucker was determined Moses would be safe before he was claimed Saving Moses is a Quirk of Fates short book It's where I have two men in their head that want to be together but they don't want to go through a long story arc to get there either As Tucker said we're fated mates The rest should be easy So here you

go Tucker and Moses story in short form Enjoy As with all of my books Saving Moses is about two men who will come to love each other There is some on page violence coarse language and an intimate scene Just the one because this is a short There is also a taciturn alpha a wonderful omega who lives in the moment and a few friends to help make things happen Oh and a trip to Las Vegas This story is completely standalone
