composer Gustav Mahler architect Walter Gropius and writer Franz Werfel To her admirers Alma was a self sacrificing socialite who inspired many great artists Her detractors found her a self intellectual life in Europe and then in migr communities on both coasts of the United States after the Nazi takeover of their home territories First published in German in 2004 the book was hailed as a rare combination of meticulously researched scholarship and entertaining writing making it a runaway bestseller and advancing Oliver Hilmes to his position as a household name in contemporary literature Alma Mahler was one of the twentieth century s rare originals worthy of her immortalization in song Oliver Hilmes has provided us with an even handed yet tantalizingly detailed account of
