**A Scout's Report** George Genovese, Dan Taylor, 2015-10-14 Many in baseball consider the scout to be the most important figure in any organization. It is the scout's work in the high school and college bleachers that unearths future legends. Few have achieved more and in such grand style than George Genovese. In a game that values numbers, Genovese's are staggering. No other scout has been responsible for more players in a single lineup, more home runs by players signed or more All Star and World Series highlights than Genovese. Genovese's eye for talent is unmatched; his advocacy for the players he discovers is unrivaled, and the investment he makes toward their success is a difference maker. This autobiography is the story of his seven decades in baseball as a player, manager, and scout. Report United States Congress House, 1952. *The Integration of Minor League Baseball* Rick Swaine, Gary C. Fink, 2025-06-09 Though much has been written about Negro League players and Black major leaguers of the integration era, little attention has been given to the accomplishments and struggles of Black minor league pioneers. This work is a history of minor league integration with complete records for the more than one thousand players of color who toiled in Organized Baseball's minor leagues from 1946 to 1959, competing against the odds for a shot at the big leagues that few would get. This work is a tribute to an underappreciated group of men who helped clear away the vestiges of a racist system that kept many of the game's best players from gaining the recognition they deserved. Only about 10% would ever appear in the major leagues, but the careers of Black major league stars of the 1950s and 1960s were built on the backs of this largely forgotten generation of players. The underlying statistical and demographic information is compiled in a comprehensive register of players that were not or probably would not have been given a chance in Organized Baseball prior to the crossing of the color barrier due to their racial heritage. *The Newberg Report* Jamey Newberg, 2009-12-15 The Newberg Report pulls back the curtain on the Texas Rangers baseball team by taking a look at everything from what the organization does to the intuitive emphasis on the how and the why. The book, now in its 10th edition, encourages casual fans to get more involved while providing hardcore fans with a forum to discuss their beloved team. It's written by baseball guru Jamey Newberg. **Baseball America 2021 Prospect Handbook Digital Edition**, 2021-03-23 A Simon Schuster eBook. Simon Schuster has a great book for every reader. *The Greatest Minor League* Dennis Snelling, 2019-02-06 In 1903 a small league in California defied Organized Baseball by adding teams in Portland and Seattle to become the strongest minor league of the twentieth century. Calling itself the Pacific Coast League, this outlaw association frequently outdrew its major league counterparts and continued to challenge the authority of Organized Baseball until the majors expanded into California in 1958. The Pacific Coast League introduced the world to Joe Vince and Dom DiMaggio, Paul and Lloyd Waner, Ted Williams, Tony Lazzeri, Lefty O'Doul, Mickey Cochrane, Bobby Doerr, and many other baseball stars, all of whom originally signed with PCL teams. This thorough history of the Pacific Coast League chronicles its foremost personalities, governance, and contentious relationship with the majors, proving that the history of the

game involves far more than the happenings in the American and National leagues      **The 1934 St. Louis Cardinals**

 Pastime Sportswriters delighted in assigning nicknames to the players based on their real or imagined qualities What a cast  
 of characters it was None was more picturesque than Pepper Martin the Wild Horse of the Osage who ran the bases with  
 reckless abandon led his team mates in off the field hi jinks and organized a hillbilly band called the Mississippi Mudcats He  
 was quite a baseball player the star of the 1931 World Series and a significant contributor to the 1934 championship The  
 harmonica player for the Mudcats was the irrepressible Dizzy Dean Full of braggadocio Dean delivered on his boasts by  
 winning 30 games in 1934 the last National League hurler to achieve that feat Dizzy and his brother Paul accounted for all of  
 the Cardinal victories in the 1934 World Series Some writers tried to pin the moniker Daffy on Paul but that name didn t fit  
 the younger and much quieter brother The club s hitters were led by the New Jersey strong boy Joe Ducky Medwick who  
 hated the nickname preferring to be called Muscles Presiding over this aggregation was the Fordham Flash Frankie Frisch

 up Together they comprised a championship ball club The Gas House Gang was the greatest baseball club I ever saw They  
 thought they could beat any ballclub and they just about could too When they got on that ballfield they played baseball and  
 they played it to the hilt too When they slid they slid hard There was no good fellowship between them and the opposition
