Gift Of Rain :

The Gift of Rain Tan Twan Eng, 2009-05-05 In the tradition of celebrated wartime storytellers Somerset Maugham and Graham Greene Tan Twan Eng's debut novel casts a powerful spell. The recipient of extraordinary acclaim from critics and the bookselling community, Tan Twan Eng's debut novel casts a powerful spell and has garnered comparisons to celebrated wartime storytellers Somerset Maugham and Graham Greene. Set during the tumult of World War II on the lush Malaysian island of Penang, *The Gift of Rain* tells a riveting and poignant tale about a young man caught in the tangle of wartime loyalties and deceptions. In 1939, sixteen-year-old Philip Hutton, the half-Chinese, half-English youngest child of the head of one of Penang's great trading families, feels alienated from both the Chinese and British communities. He at last discovers a sense of belonging in his unexpected friendship with Hayato Endo, a Japanese diplomat. Philip proudly shows his new friend around his adored island, and in return, Endo teaches him about Japanese language and culture and trains him in the art and discipline of aikido. But such knowledge comes at a terrible price. When the Japanese savagely invade Malaya, Philip realizes that his mentor and sensei to whom he owes absolute loyalty is a Japanese spy. Young Philip has been an unwitting traitor and must now work in secret to save as many lives as possible, even as his own family is brought to its knees. *The Gift of Rain* Tan Twan Eng, 2007

Takes the readers from the final days of the Chinese emperors to the dying era of the British Empire with a young man's perilous journey through the betrayals of war and into manhood. **On Zion** Martin Buber, 1997-08-01 Martin Buber's writings on Zion and Zionism go back to the early years of this century. To him, Zion was not primarily a political issue. Zionism implies a reorientation of the entire being, an overcoming of a Diaspora mentality, a catharsis, and a readiness to build in the land of Israel a new, just, free, and creative community. *City Of Rain* Alvin Pang, 2023-05-01 One of Singapore's most visible poets, Pang grows with each book. In his poems, we hear a voice unhurried, confident, and capable of carrying diverse humors and reading a rhetoric shaded to ironies, surprising us with glimpses of contemporary experience that affirm yet mock, celebrate and unsettle. His poetry adds a rich and complex presence to the critical mass of urban literature now fully emergent from Singapore. His poems, at once recognizably national and international in reach, offer a fresh, edgy energy to this tradition. Professor Shirley Geok-lin Lim, Winner of the Commonwealth Poetry Prize 1992 and author of *Joss and Gold*

Church of Rain Julian M. Miles, This planet has known many powers. Some have been regarded as divine. Many are still here. Several are departed but not necessarily gone. These powers have often clashed. Myths speak of such cataclysms or hint at forgotten atrocities. A few tragedies left their mark in other ways. Roy Neider often dreams of an impossible church. He's sure it's waiting for something. That something just happened, and it's going to take his life if he doesn't work out what it is and how to stop it. Sacra Pagina: James Patrick J. Hartin, 2023-06-13 In his commentary on the letter of James, Hartin offers a unique approach toward understanding a much-neglected writing. Refusing to read the letter of James through the lens of Paul, Hartin approaches the letter in its own right. He takes seriously the address to the twelve tribes in the Dispersion.

1 1 as directed to Jews who had embraced the message of Jesus and were living outside their homeland Israel At the same time Hartin shows how this letter remains true to Jesus heritage Using recent studies on rhetorical culture Hartin illustrates how James takes Jesus sayings and performs them again in his own way to speak to the hearers readers of his own world Hartin examines the text passage by passage while providing essential notes and an extensive explanation of the theological meaning of each passage The value of this commentary lies in its breadth of scholarship and its empathic approach to this writing The reader will discover new and refreshing insights into the world of early Christianity as well as a teaching that is of perennial significance *Bible Knowledge Commentary: Old Testament* John F. Walvoord, Roy B. Zuck, 1985-07 The Bible Knowledge Commentary answers questions about the Scriptures discussing all the Bible verse by verse and often phrase by phrase In addition maps charts and diagrams help readers grasp the meanings of the biblical text **The Color of Rain** Michael Spehn, Gina Kell Spehn, 2011-10-04 When unexpected grief brings two families together how do they start their journey to healing Join Michael and Gina Spehn bestselling authors and founders of the New Day Foundation as they tell their story of resilience remembrance and reliance on their shared faith Matt Kell and Cathy Spehn had known each other since grade school As adults they each got married lived in their hometown and attended the same church Their kids even attended school together Matt died at home on Christmas Day after a three year battle with cancer leaving behind his wife Gina and two young boys After attending Matt s inspirational funeral and reaching out to Gina with offers of support Cathy was diagnosed with inoperable brain cancer She died only 17 days later leaving behind her husband Michael and three young children In her final hours Cathy instructed Michael to call Gina Kell The Color of Rain illuminates the stepping stones of loss and healing that ultimately led to a joyful new life for Michael Gina and their five children Their path to becoming a modern day Brady Bunch was paved with grief laughter and the willingness to be restored to a new and even better life despite the inevitable resistance they faced As you learn more about Michael and Gina s story you ll learn The importance of keeping God at the center of your marriage How they navigated becoming a blended family The life changing power of faith even on your darkest days As their dual first person narrative reveals what it is like to walk through loss and love simultaneously you ll have an intimate look at how Michael and Gina lived lost and ultimately persevered through extraordinary circumstances Praise for The Color of Rain The Color of Rain is a testament to God s restoration and grace Even in our suffering there is beauty It rarely makes sense but it s always true He makes all things beautiful in His time Katie Davis New York Times bestselling author of Kisses from Katie Michael and Gina Spehn s The Color of Rain is not only an instant bestseller but also an instant classic certain to be pressed into the hands of hundreds of thousands of grieving men and women by their closest friends for it is a book that is painfully honest about the depths of sorrow but also full of the joy of the hard path back from near despair It is another reminder that God is there however dark the day and that he will comfort those who call on him Hugh Hewitt bestselling author and radio host **The Garden of Evening Mists** Tan Twan Eng, 2012-09-04 This elegant
