**Strategic Corporate Social Responsibility** David Chandler, 2019-08-13 A holistic perspective for navigating and exploring the CSR landscape Strategic Corporate Social Responsibility Sustainable Value Creation Fifth Edition redefines corporate social responsibility CSR as being central to the value creating purpose of the firm and provides a framework that firms can use to navigate the complex and dynamic business landscape Based on a theory of empowered stakeholders this bestselling text argues that the responsibility of a corporation is to create value broadly defined The primary challenge for managers today is to balance the competing interests of the firm's stakeholders understanding that what they expect today may not be what they will expect tomorrow This tension is what makes CSR so demanding but it is also what makes CSR integral to the firm's strategy and day to day operations

*The Gift of Violence* Matt Thornton, Peter Boghossian, 2023-04-11 In today's modern world we are largely isolated from the kind of savagery our ancestors faced on a daily basis Although violence was as natural to our evolutionary development as sex and food it has become foreign to most of us at once demonized and glamorized but almost always deeply misunderstood Our hard earned and hard wired instincts our evolved and trained ability to survive and overcome violent encounters have been compromised Yet as even a cursory look at news headlines or a police blotter will reveal the threat of violent crime is ever present and those we've entrusted to protect us

cannot always be relied upon The Gift of Violence tells the story of this vulnerability and provides the average person with all the knowledge they need to reduce the likelihood of becoming a victim of violence and to increase their chances of surviving a violent encounter Based both on the author s decades of experience teaching everyday people how to defend themselves and on a rational approach to the scientific data The Gift of Violence offers clear easy to remember lessons for people of all ages and abilities It is designed to empower those who ve been affected by violence or are concerned that they or their loved ones could be in short it was written to help good people become more dangerous to bad people Every reader will be armed with the necessary knowledge to harness the power of violence for him or herself and in the process to be not just smarter and stronger but also safer
