**Document** Boston (Mass.), 1888 **Research for Educational Change** Jill Adler, Anna Sfard, 2016-06-17 Research for Educational Change presents ways in which educational research can fulfil its commitments to educational practice Focussing its discussion within the context of mathematics education it argues that while research generated insights can

have beneficial effects on learning and teaching the question of how these effects are to be generated and sustained is far from evident The question of how to turn research into educational improvement is discussed here in the context of learning and teaching hindered by poverty and social injustice In the first part of the book four teams of researchers use different methodologies while analysing the same corpus of data collected in a South African mathematics classroom In the second part each of these teams makes a specific proposal about what can be done and how so that its research generated insights have a tangible beneficial impact on what is happening in mathematical classrooms Combining two discourses that of researchers speaking to one another and that of researchers communicating their insights to those responsible for educational practice the book deals with the perennial question of communication between those who study educational processes and those who are directly responsible for teacher education educational research and classroom practices This book will be key reading for postgraduates researchers and academics in education and particularly in the areas of mathematics education education research teacher education and classroom practice It will also appeal to teacher educators practitioners and undergraduate students interested in educational research *School Document* ,1920 Human Aspects of Information Security and Assurance Nathan Clarke,Steven Furnell,2024-11-27 The two volume set IFIP AICT 721 722 constitutes the proceedings of the 18th IFIP WG 11 12 International Symposium on Human Aspects of Information Security and Assurance HAISA 2024 held in Skövde Sweden in July 9 11 2024 The 39 full papers presented were carefully reviewed and selected from 55 submissions The papers are organized in the following topical sections Part I Management and Risk Social Engineering Technical Attacks and Defenses Usable Security Part II Awareness and Education Privacy
