Riding the Rim Terry L. Forrette,2010-08-11 Riding the Rim is one man s response to the catastrophic events in New Orleans following Hurricane Katrina The wetlands had been disappearing at an ever increasing rate over fifty years America s demand for oil combined with a mismanaged levee system had finally dealt a mortal blow to the defenses of New Orleans

The city lay open to the wrath of a 20 foot wall of tidal surge We could not let this happen again Little was being done It was important that someone step up Someone did The audacious idea was that a guy on a motorcycle traveling 16 500 miles around the perimeter of the United States talking about coastal erosion just might call attention to the issue If this rider was also a trained public speaker with a passion for his message perhaps he could be the catalyst needed to raise awareness in the rest of the country There was no way to predict success There was risk as well as reward The author took the risk and discovered a nation genuinely concerned for New Orleans but with little understanding of the importance of the wetlands to the country s economy and security The wetlands are still endangered but one man stepped up and made his voice heard This is his story While many serve the cause of saving America s WETLAND Terry Forrette takes his show on the road mile by mile enlisting supporters These personal and sincere acts of advocacy are seldom recognized in a time of media hype but they are the backbone of our efforts to show that America cannot not afford to lose coastal Louisiana Valsin A Marmillion Managing Director America s WETLAND Foundation President and Founder Marmillion Company

Motorcycle Touring Bible Fred Rau,2011-01-08 Touring on a motorcycle has never been more popular than it is today but with more and more people hitting the open road a growing number are doing so without the proper skills and information they need to survive the ordeal Far too often the trip of a lifetime turns into an unmitigated disaster leading to expensive breakdowns arrests lost wages broken limbs death and even on more than one occasion divorce Most people who travel aboard motorcycles have learned these lessons the hard way if they ve survived long enough but now readers of the Motorcycle Touring Bible can learn an easier way they can learn from author Fred Rau s mistakes rather than through the school of hard knocks
