Honeymoon Sweets English Edition:

El Color Naranja Spanish and English Translation and Other Stories, Mercy Mutamiri, **Paraguay, First Edition** Margaret Hebblethwaite, 2010 Paraguay is still largely undiscovered by travellers but those who make their way here are delighted by the country's distinctive culture and strong indigenous features. A bilingual nation with Guaraní spoken alongside Spanish, its folk dance tradition is hugely popular among young people; its harp playing is legendary and Paraguayans are proud of their different handicrafts, particularly their sewing. The country is also home to the historic Jesuit missions or reductions as depicted in the film *The Mission*. Bradt's Paraguay, the only English language guidebook to this emerging tourism destination, covers the region with unrivalled detail and knowledge. It delves deep into a country that has so far eluded the grasp of mass tourism and where rich indigenous culture and folk traditions still hold strong. **Shattered**

Vessels Michal Peled Ginsburg, Moshe Ron, 2012-02-01 David Shahar 1926-1997 author of the seven novel sequence *The Palace of Shattered Vessels* occupies an ambiguous position in the Israeli literary canon. Often compared to Proust, Shahar produced a body of work that offers a fascinating poetic and ideological alternative to the dominant models of Amos Oz and A. B. Yehoshua. This book, the first full-length study of this fascinating author, takes a fresh look at the uniqueness of his literary achievement in both poetic and ideological terms. In addition to situating Shahar within the European literary tradition, the book reads Shahar's representation of Jerusalem in his multi-volume novel as a heterotopia, an actual space where society's unconscious, what does not fit on its ideological map, is materially present and argues for the relevance of Shahar's work to the critical discussion of the Arab question in Israeli culture. **Official Gazette of the United States Patent and**
