

YOUR AIR PURIFIER

ODOR REDUCTION

This air cleaner includes a special odor absorbing pre-filter **(K)** packed in the product box. In order to enjoy the benefits of enhanced odor reduction, replace the washable pre-filter that is already in the air cleaner with the odor absorbing pre-filter **(K)**. For optimal performance, the pre-filter is wrapped in plastic to keep it fresh. Pre-filter replacement timing will be approximately 3 months, depending on use. You can purchase replacement **(K)** pre-filters from the store where you purchased your air cleaner or visit www.replacementfilters.com. If you have any questions, contact Kaz Consumer Services at 1-800-477-0457.

Note: Please only use one pre-filter in your air cleaner at a time. You will need to choose whether you want to use the permanent washable pre-filter or the odor reducing pre-filter (will be discarded after use). Both are included with your air cleaner at the time of purchase.

HOW YOUR AIR CLEANER WORKS

This model air cleaner incorporates a 3-stage cleaning system to help clean the air that passes through the filter in the unit (Fig. 1).

- Stage 1:** Washable or Odor-reducing Pre-filter (your choice)
- Stage 2:** Permanent Washable iFD® Filter
- Stage 3:** Electronic Ionizer
