**Intersectionality and Women's Access to Justice in Africa** J. Jarpa Dawuni, 2022-10-17 Intersectionality and Women's Access to Justice edited by J Jarpa Dawuni propounds layered intersectionality as a paradigm for examining how gendered factors affect women's access to justice whether as judges or litigants Through intersectional and decolonial frameworks the contributors analyze the lived experiences of women and their access to justice by situating the courtroom as both a spatial and a temporal arena for seeking justice as litigants and for seeking access to the bench as judges This book examines patterns of mutually reinforcing discriminatory practices that women share based on common gender identities and depending on which identities are at play at a given point in time in both traditional and statutory courts The book provides recommendations for various justice sector providers

The Astronaut Maker Michael Cassutt, 2018-08-01 One of the most elusive and controversial figures in NASA's history George W S Abbey was called the Dark Lord the Godfather and UNO short for unidentified NASA official He was said

to be secretive despotic a Space Age Machiavelli Yet Abbey had more influence on human spaceflight than almost anyone in history His story has never been told until now The Astronaut Maker takes readers inside NASA to learn the real story of how Abbey rose to power from young pilot and wannabe astronaut to engineer bureaucrat and finally director of the Johnson Space Center During a thirty seven year career mostly out of the spotlight he oversaw the selection of every astronaut class from 1978 to 1987 deciding who got to fly and when He was with the Apollo 1 astronauts the night before the fatal fire in January 1967 He was in mission control the night of the Apollo 13 accident and organized the recovery effort Abbey also led NASA s recruitment of women and minorities as space shuttle astronauts and was responsible for hiring Sally Ride Written by Michael Cassutt the coauthor of the acclaimed astronaut memoirs DEKE and We Have Capture and informed by countless hours of interviews with Abbey and his family friends adversaries and former colleagues The Astronaut Maker is the ultimate insider s account of ambition and power politics at NASA

Human Rights Behind Bars Clara Burbano Herrera,Yves Haeck,2022-11-14 This book brings together leading authorities from the fields of international human rights law criminology legal medicine and political science with international human rights judges and UN experts to analyze the current situation of detainees in Europe the Americas and Africa This comprehensive volume offers a platform for reflecting on the complexity of the prison problem from a multidisciplinary perspective The authors address detention related issues with the aim of generating new ideas that contribute to both academic discussion and critical analysis Academic dialogue across the globe provides insights into various national and international carceral systems and how they deal with human rights behind bars At the same time the critical comparison helps to identify basic needs and practices that can work in multiple settings The contributors are respected experts and leading scholars in their fields and each has pursued prison and human rights research over the last decades However this is

the first time that they have come together in a multidisciplinary academic project This book aims to stimulate diverse actors to imagine alternative ways of engaging with persons deprived of their liberty in academia and in practice **Lady Astronauts, Lady Engineers, and Naked Ladies** Karin Hilck, 2019-07-08 The book Lady Astronauts Lady Engineers and Naked Ladies is a gender history of the American space community and by extension a social history of American society in the twentieth century during the Cold War In order to expand and differentiate the prevalent postwar narrative about gender relations and cultural structures in the United States the book analyzes several different groups of women interacting in different social spaces within the space community It therewith grants insight into the several layers of female participation and agency in the community and the gender and race based obstacles and hurdles the female prospective astronauts scientists engineers artists administrators writers hostesses secretaries and wives were faced with at NASA and in the space industry In each chapter a different social space within the space community is analyzed The spaces where the women lived and worked are researched from a media individual and institutional angle ultimately revealing the differing gender philosophies communicated in the public sphere and the space community workplaces by government and space community officials While women were publicly encouraged to participate in the American space effort to beat the Soviet Union in the race to the moon women had to deal with gender based barriers which were integral to the structures of the space community just as they were an intrinsic component of all societal structures in the United States in the 1960s The female space workers who were often perceived as disrupters of the prevalent social order in the space community and discriminated by some of their male colleagues and bosses on a personal basis still managed to assert themselves They molded pockets of agency in the space community workspaces without the facilitation of regulations on the part of NASA that might have provided them with easier access or more agency Thus the space community a place of technological innovation was not necessarily also a place of social innovation but a community with a government agency at its center that mainly mirrored the current changing social order conventions and policies in the 1960s as well as in the 1970s and 1980s Nevertheless the women presented in this book were instrumental in advancing and consolidating the social transformation that happened within the space community and the United States and therefore make intriguing subjects of research Thus this systematic analysis of the connection between gender space and the Cold War adds a new dimension to space history as well as expands the discourse in American history about gender relations and the opportunities of women in the twentieth century Upshift Ben Ramalingam, 2023-02-07 With over two decades experience both observing and interpreting how people channel disaster into opportunity in the most extreme circumstances and environments on Earth Ben Ramalingam has a unique vantage point from which to identify the key principles that can enable anyone to use stress as an opportunity for change In Upshift Ramalingam distills this expertise into an insightful powerful and engaging book that will show you how to reframe your set responses to stress and pressure and instead use them to harness the potential they hold not just for

improving your work your relationships and your mindset but for transforming them Upshift takes readers on an epic journey from early humans survival of the Ice Age to present times in our inescapable pernicious and ever shifting digital landscape You will hear remarkable stories from a vast range of upshifters all of whom carved new routes around perceived barriers using their powers to upshift Underlying stories of how city commuters navigate train cancellations to how astronauts deal with life threatening incidents is one key message We all have the power to innovate whether or not we identify ourselves as creative or extraordinary Maybe you re the challenger who thrives by constructively disrupting the status quo like Greta Thunberg Or perhaps you find yourself constantly tweaking prodding breaking rebuilding and improving like crafters such as the team that revolutionized space travel called the NASA Pirates Do you love introducing people whose combined efforts will lead to greater achievements You might be a connector like master networker Ariana Huffington In a runaway world that is an engine for perpetual crisis Upshift is not only an essential toolkit for survival it is a roadmap for positive and potentially life changing transformation and influence You don t have to shut down you can upshift

Doing Politics Michael Kranert, Geraldine Horan, 2018-12-15 This edited volume explores the discursive performative and mediated dimensions of contemporary political discourse The strengths of the volume are manifold it contains cutting edge interdisciplinary research on political discourses by international authors UK USA Italy Germany Austria Denmark in political science discourse linguistic and social interaction research The contributions represent a wide range of methodological approaches to political discourse analyzing a broad variety of genres some of which have been less analyzed to date for example Wikipedia articles in combination with their discussion pages or the interaction between politicians and voters in the constituency office of a British Member of Parliament The contributions also focus on political discourses of high and relevant topicality such as EU membership of Britain populism migration and xenophobia terrorism and narratives in international relations

Debating Judicial Appointments in an Age of Diversity Graham Gee, Erika Rackley, 2017-09-11 What should be the primary goals of a judicial appointments system and how much weight should be placed on diversity in particular Why is achieving a diverse judiciary across the UK taking so long Is it time for positive action What role should the current judiciary play in the appointment of our future judges There is broad agreement within the UK and other common law countries that diversity raises important questions for a legal system and its officials but much less agreement about the full implications of recognising diversity as an important goal of the judicial appointments regime Opinions differ for example on the methods forms timing and motivations for judicial diversity To mark the tenth anniversary of the creation of the Judicial Appointments Commission JAC in England and Wales this collection includes contributions from current and retired judges civil servants practitioners current and former commissioners on the JAC and leading academics from Australia Canada South Africa and across the UK Together they provide timely and authoritative insights into past current and future debates on the search for diversity in judicial appointments Topics discussed include the role and responsibility of independent appointment bodies

assessments of the JAC's first ten years appointments to the UK Supreme Court the pace of change definitions of merit and diversity mandatory retirement ages the use of ceiling quotas and the appropriate role of judges and politicians in the appointments process      Comparative Analysis of Interim Measures – Interim Remedies (England & Wales) v Preservation Measures (China) Vivek Jain, Thomas Macey-Dare, Shengnan Jia, 2022-05-30 Interim remedies and provisional measures are a critical component of civil commercial litigation and arbitration The objective of this book is to set out not just the law and practice in relation to the primary interim remedies and preservation measures available in England Wales and China but also to provide the comparative analysis between the two jurisdictions concerning these interim measures The system for interim remedies in England Wales is well established but preservation measures in China are a work in progress and many differences exist between the two legal systems both in terms of theory and practice For example China does not recognise the general concept of interim measures if looked at from the English law point of view though it does have similar concepts of Property preservation evidence preservation and behaviour preservation China has recently adopted Chinese Civil Code 2020 and in writing this book the authors have incorporated all the relevant elements from the new Code There is no equivalent of Practice Directions in China and this book provides provide much needed clarity on this area drawing together the law and guidance which is presently scattered across numerous local courts in the different provinces This is an important book that is likely to have a significant impact on existing scholarship regarding interim remedies in England Wales and China and be of interest of all parties involved in cross border litigation Its readership will include industry professionals academics policy makers and government officials      Civil Jurisdiction and Judgments Adrian Briggs, 2025-09-30 Now in its 8th edition this well established and respected book by Adrian Briggs continues to deliver a full and complete statement of English law on civil jurisdiction and judgments As the United Kingdom will now not be re joining the Lugano Convention the treatment of judgments from EU Member States and the Lugano States has been reduced and the jurisdictional rules of Brussels Lugano regime are now dealt with only in outline This 8th edition untangles and re ties the loose ends left over from the process of disengagement from the European Union and restates the law of jurisdiction and judgments as it must be understood today Significant new material includes an expanded treatment of the increased opportunities for service out of the jurisdiction with and without permission and of the 2019 Hague Judgments Convention in effect for the United Kingdom from 1 July 2025 Otherwise recent developments of which there have been many across the field of jurisdiction and judgments in civil and commercial matters are examined in proper detail This rigorously updated new edition reasserts its position as an authoritative and comprehensive reference for all lawyers and legal practitioners working in the broad area of commercial litigation      *Applied Research on Policing for Police* Angelo G. Constantinou, 2021-08-12 This brief discusses a series of empirical studies on policing in Cyprus applying research to practice It discusses police culture and tactics and addresses politicized policing Using primary data based on both quantitative and qualitative studies

on the day to day issues of front line policing in Cyprus this volume will be of interest to academics researchers and practitioners interested in comparative international policing evidence based policing and contextualization of policing in Cyprus     *Metropolitan Ruralities* Terry Marsden,Kjell Andersson,Stefan Sjöblom,Leo Granberg,Peter Ehrström,2016-07-29 During modernity metropolitan ruralities have been regarded as land reserves for urban expansion However there is a growing insight that there are limits to the urban expansion into rural areas This volume discusses potential developments in urban and rural policy and planning which need to be considered     Contents of Commercial Contracts Paul S Davies,Magda Raczynska,2020-07-23 Freedom of contract is a great strength of English law indeed it is a key reason why English law is often the law of choice But the terms of commercial contracts often restrict freedom of action This book considers such terms Leading commentators take stock of recent developments such as increased reliance on good faith discretion and the rise of smart contracts Insodoing they make original contributions to ongoing debates concerning the limits to parties freedom of contract This important subject will interest drafters of commercial contracts keen to ensure that contracts are clear and enforceable litigators disputing the meaning scope and validity of terms and academics interested in the purpose and nature of the exercises involved     Lunar and Planetary Science ,1997     **Dispute Settlement Reports 2020: Volume 2, Pages 519 to 1146** World Trade Organization,2022-02-17 The Dispute Settlement Reports are the WTO authorized and paginated reports in English They are an essential addition to the library of all practising and academic trade lawyers and a valued resource for students worldwide taking courses in international economic or trade law DSR 2020 Volume 2 provides the report on Russia Measures Affecting the Importation of Railway Equipment and Parts Thereof WT DS499     *Above and Beyond* Louis Brennan,Loizos Heracleous,Alessandra Vecchi,2018-05-15 The global space sector has always been regarded as a cutting edge field futuristic and at the forefront of innovation In recent years the sector has undergone massive change giving rise to a high technology niche worth over 330 billion in revenues worldwide and growing That process encompassing a greater and more diverse set of actors has been described as the democratization of space Above and Beyond Exploring the Business of Space provides a comprehensive and current overview of the business of space and its distinctive competitive dynamics The book explores the commercialization of space taking the reader on a journey from the era of the Space Race up to the present and beyond Focusing on both state and commercial actors the book provides an exhaustive panoramic view of an area of growing human endeavour and ambition that is both informative and fascinating As the business of space continues to develop and grow at a remarkable pace the book offers a thoughtful and timely analysis of its past present and future scenarios While providing a critical assessment of the business of space this book offers valuable insights to academics policy makers and anyone with a keen interest in the sector as well as useful lessons from emerging commercial and traditional space actors that have broader applicability to other industries and their managers     Related Party Transactions and Corporate Groups Ivan Romashchenko,2020-03-06 In a market environment

where economic actors conduct themselves as diligent and conscientious managers the regulation of related party transactions RPTs would be largely irrelevant Unfortunately the corporate reality is far from an ideal world that is innocent of market abuse and corporate fraud It remains necessary to protect minority shareholders from the wrongdoings of majority shareholders and to protect all shareholders from opportunistic managerial behaviour This timely book the first on the subject since implementation of the European Union s EU s revised Shareholders Rights Directive provides in depth analysis of how and to what extent RPTs are covered by existing legal requirements on capital protection and corporate group regulation highlighting experiences and strategies adopted in Germany Poland and the Netherlands as examples for Eastern European countries and in particular Ukraine Beyond his comparative analysis of the current status the author offers recommendations for more effective handling of RPTs investigating such aspects as the following what constitutes a corporate group and how group issues are regulated in the various legal systems what constitutes a conflict of interest originating in ownership and control and what types of such conflicts occur whether RPTs within corporate groups should receive special treatment relative to transactions outside groups combatting corporate raiding most often carried out through illegal seizure of corporate assets approval and disclosure requirements for RPTs and how information about RPTs is disclosed publicly Drawing on resources including legislation case law scholarship and intensive discussions with practicing lawyers from several jurisdictions the author underscores the imperative of establishing limitations and requirements that oblige a company s officers shareholders and other potential related parties to follow certain rules whenever they wish to enter into an RPT As a contribution to the debate about the convergence between EU corporate law and that of major eastern European states the book has no peers Practitioners in both East and West who advise on compliance with regulations for RPTs or represent stakeholders interests against abusive RPTs will ensure appropriate remedies and protection mechanisms for their clients

### **Jsc Question 2015 Introduction**

In today's digital age, the availability of Jsc Question 2015 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Jsc Question 2015 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Jsc Question 2015 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Jsc Question 2015 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Jsc Question 2015 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Jsc Question 2015 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Jsc Question 2015 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Jsc Question 2015 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Jsc Question 2015 books and manuals for download and embark on your journey of knowledge?
