These mark schemes are published as an aid to teachers and students to indicate the requirements of the examination. They show the level on which Examiners were asked to award marks. They do not define the content of the questions that took place at the Examiners' meeting before marking began. Any subsequent changes to the mark schemes that result from these discussions will be reported in the published Report on the Examination.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that best reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the Report on the Examination.

• CIE will not award any marks for or compensate for candidates who complete all three mark schemes.

• CIE is publishing the mark schemes for the June 2004 question papers for most IGCSE and AICE Advanced Level syllabuses.
