Le Polyhandicap Au Fil Des Saisons:

Le polyhandicap au fil des saisons Annie Saby, 2009-04-15 Voici le fruit d'un travail de plusieurs saisons d'écriture le quotidien d'une famille confrontée au polyhandicap d'un enfant Au travers de ce témoignage sans complaisance et simplement vécu de l'intérieur l'auteur espère donner un éclairage aux institutions et aux professionnels et apporter un peu de réconfort aux familles C'est avec un brin d'humour et beaucoup de poésie que l'auteur aborde un sujet douloureux **Polyhandicap Au Fil Des Saisons Le**, 2013

Fragilities Fernando Dominguez Rubio, Jerome Denis, David Pontille, 2025-04-29 An original essay collection that explores the generative dimensions of fragility which can help reveal new life affirming politics and ethics At a time when it may be easy to fall into a defeatist melancholia if not outright pessimism fragility offers an opportunity for a different kind of world making In *Fragilities* Fernando Dominguez Rubio Jerome Denis and David Pontille argue that we need to pay attention to the moments when the bodies things and worlds we inhabit begin to crack and reveal their fragility it is in these instabilities that we can gain precious access to alternative ways of being The essays in this collection explore how the work of care maintenance and repair compose with rather than struggle against fragilities Fragility forces us to reckon with the precariousness and contingency of life and to use this reckoning as a starting point to build and nurture life affirming politics and ethics The book explores fragility in four categories bodies environments labor and politics and proposes to consider in each situation what who is rendered visible what who is made absent what is considered normal and what is deemed strong and stable versus what is deemed fragile The volume includes a strong line up of leading and emerging scholars from a wide array of disciplines including anthropology social studies of science disabilities studies and sociology
