lonely planet

A wide-angle, high-angle photograph of Prague, Czech Republic, taken during the "blue hour" of twilight. The Vltava River flows through the center of the frame, reflecting the deep blue and purple hues of the sky. In the foreground, the Charles Bridge, a historic stone bridge with many statues and street lamps, is crowded with people walking across it. The background shows the dense, colorful rooftops of the Prague Old Town, with the prominent spires of St. Vitus Cathedral visible on the right side of the skyline.
