the root causes of conflict which is a complex process that takes place over a long time following the formal end of the conflict Furthermore peace building is the product of initiatives and undertakings by a range of stakeholders who play roles in the process of consolidating peace Peace building takes place from the grass roots level to the highest level of government and requires efforts and actions by internal and external actors providing support to the peace building processes The then UN Secretary General Boutros Boutros Ghali in his famous report An Agenda for Peace introduced the concept of post conflict peace building Boutros Ghali defines post conflict peace building as action to identify and support structures which will tend to strengthen and solidify peace in order to avoid a relapse into conflict In case of CHT the first two phases of the peace process negotiation and cessation of hostilities are over It is now in the second stage where peace building moves from a transition phase to a consolidation phase The status of CHT Peace Accord is in the final phase i e in the consolidation phase We have successfully completed the previous stages and the phases Now the main task is to consolidate the peace building Despite occasional threats and bullies by some regional parties there is virtually no chance to relapse to conflict in CHT The CHT Peace Accord is unique in the sense that it was concluded and also being implemented without any international intervention Bangladesh is perhaps the only country in the world that managed to solve the complicated internal conflict without intervention by a third party Implementation of any such accord is a long term political process dependent on parallel political economic and social reconstruction Peace building is a holistic process inseparable from sustained democratization security and socio economic development The whole process may take long time even a generation Parties to the agreements have to have patience and fortitude On 10 February 2016 hon ble Prime Minister Sheikh Hasina while answering to a question of Mr Ushaton Talukder MP gave a statement in the Parliament which has been translated into English in this booklet with annexures that gives a clear picture of the status of implementation of the Peace Accord and government s efforts for the overall development of CHT It may be mentioned here that on 10 February 1998 the members of Shanti Bahini armed wing of PCJSS surrendered their arms at Khagrachari Stadium Mr J B Larma alias Shantu Larma the leader of PCJSS surrendered his arms to Prime Minister Sheikh Hasina It was a turning point in the annals of the history of Chittagong Hill Tracts The speech delivered by Prime Minister on 10 February 1998 at Khagrachari Stadium has been appended here as Appendix I Prime Minister Sheikh Hasina has been awarded UNESCO s Houphouet Boigny Peace Prize for 1998 for her instrumental role and remarkable contribution to bringing peace through ending the decades long conflict in Chittagong Hill Tracts with political courage and statesmanship Throughout her life Prime Minister Sheikh Hasina has been a strong proponent of peace freedom and democracy She had been greatly influenced by Bangabandhu Sheikh Mujibur Rahman s intense patriotism political idealism and deep concern for the people particularly those who are backward and in distress She received prestigious Pearl S Buck Award 1999 in recognition of her vision courage achievements in political economic and humanitarian fields The All India Peace Council awarded her Mother Teresa Award in 1998 The Mahatma M K
