### Annual Report

Sending new opportunities  
to build a better tomorrow

# 2021

## Message from the Chairperson

### Sachin N. Shah

General Manager, Emerging Markets,  
Manulife

Dear stakeholders, our 100th anniversary in the Philippines, since 1921, our Philippine business has achieved challenges that have only strengthened our resolve to serve our customers, bringing them peace of mind, leading head-up the industry, and leading the nation in 2021.

I am inspired by the team's focus on embracing customer health and well-being, as well as our focus on providing better and solutions for stress-related anxiety for our customers, especially in the midst of a pandemic.

Manulife has achieved significant milestones and continued our transformation journey since the first digital customer-centric global company in our industry. Since the pandemic hit, our focus quickly shifted to how we can support our health and safety of our team and supporting our customers, who needed us more than ever – and we have championed the cause.

### Accelerating forward, embracing the future

With a strong belief that we protect their savings and investments, we ensure protection for their wealth, their health and well-being, by ensuring the sustainability of a brand that our customers have built for us to build a better tomorrow. We are embracing the future with our mission – delivering health, wealth, peace of mind – and support our customers in their time of need.

According to the Manulife Asia Pacific Survey, 9 out of 10 Filipinos have experienced greater interest in purchasing the insurance services of the organization brought about by the COVID-19 pandemic, as 85% of the surveyed new offerings for health and safety and business health, general insurance, including more Filipinos to achieve their life aspirations.

We launched three new local policies to cater to the needs of our customers. These include the new local policies, which are available with local Manulife Philippines' insurance services (life, health, and general insurance) and are available to our customers, with a focus on customer-centric solutions.

To help customers in the Philippines protect their employees' health and ensure their future, we introduced health insurance, a new local insurance policy that provides employees with health protection coverage of up to P100 million against various chronic diseases.

To provide our digital capabilities, we made a number of technology investments in 2021 that further strengthened our focus on digital and innovation in providing our Philippine business – ensuring that we future-proof Manulife with the latest tools to lead the company forward.

### Transforming with a stronger sense of purpose

The world is changing – and it is our industry and our customer needs. We are seeing unprecedented changes everywhere, and these transformations give us a chance to lead the future. With innovation as the heart of everything we do, we will continue to drive the growth of business. As we go forth, we embrace our mission, our values, our passion, energy, and dedication of employees at the Manulife Philippines team and the customer-centric focus, leading the nation.

As I reflect on the Manulife Asia Pacific Survey, I am proud of our team's resilience in our journey since the first year and onwards, and our strong belief that Manulife is a company that is always there for our customers. We are committed to our mission, our values, our passion, energy, and dedication of employees at the Manulife Philippines team and the customer-centric focus, leading the nation.

Business growth, better, better, better, better.
