In order to obtain the best results from the car as far as minimum cost, long life and best performance are concerned, one should bear in mind the suggestions given in this book.

For those operations and repairs not easily done with normal tools at one's disposal (supplied with an ordinary tool kit), as well for complete or partial overhauling, we suggest those Owners, in their own interest, to avail themselves of the services of our Agents who will look to the prompt, accurate and rational execution of any job of repair or overhauling.

All spare parts must be original for the best functioning results. Engine and chassis numbers must be given when ordering spares.
