The Incurables Ry Marcattilio-McCracken,2023 The Incurables explores the relationship between Progressive social welfare institutions and eugenics which in the mid 1930s justified the sterilization of fifty one juvenile girls from the Girls Industrial School in Beloit Kansas The Supreme Court and McCarthy-Era Repression Robert M. Lichtman,2012-08-15 In this volume attorney Robert M Lichtman provides a comprehensive history of the U S Supreme Court s decisions in Communist cases during the McCarthy era Lichtman shows the Court s vulnerability to public criticism and attacks by the elected branches during periods of political repression The book describes every Communist related decision of the era none is omitted placing them in the context of political events and revealing the range and intrusiveness of McCarthy era repression In Fred Vinson s term as chief justice 1946 53 the Court largely rubber stamped government action against accused Communists and subversives After Earl Warren replaced Vinson as chief justice in 1953 however the Court began to rule against the government in Communist cases choosing the narrowest of grounds but nonetheless outraging public opinion and provoking fierce attacks from the press and Congress Legislation to curb the Court flooded Congress and seemed certain to be enacted The Court s situation was aggravated by its 1954 school desegregation decision *Brown v Board of Education* which led to an anti Court alliance between southern Democrats and anti Communists in both parties Although Lyndon Johnson s remarkable talents as Senate majority leader saved the Court from highly punitive legislation the attacks caused the Court to retreat with Felix Frankfurter leading a five justice majority that decided major constitutional issues for the government and effectively nullified earlier decisions Only after August 1962 when Frankfurter retired and was replaced by Arthur Goldberg did the Court again begin to vindicate individual rights in Communist cases its McCarthy era was over Demonstrating keen insight into the Supreme Court s inner workings and making extensive use of the justices papers Lichtman examines the dynamics of the Court s changes in direction and the relationships and rivalries among its justices including such towering figures as Hugo Black Felix Frankfurter Earl Warren William O Douglas and William J Brennan Jr The Supreme Court and McCarthy Era Repression One Hundred Decisions tells the entire story of the Supreme Court during this unfortunate period of twentieth century American history Cognitive Linguistics in the English as a foreign language classroom Dorothee Kohl-Dietrich,2018 Cognitive Linguistics takes an experientialist approach towards language emphasizing the centrality of physical experience for cognitive development That is cognition is regarded as embodied and language as part of the human cognitive system is shaped by how human beings interact with their physical and social environment Thus language is usage based and form meaning mappings can be explained and systematized on the basis of their conceptual motivation Despite the pedagogical potential of this theory Cognitive Linguistic applications in foreign language teaching and learning are still in their initial stages and empirical research testing the effect of Cognitive Linguistic teaching approaches in real classroom settings is rather scarce The aim of this monograph is to provide insight

into key tenets of the Cognitive Linguistic framework under the premise of their relevance for foreign language pedagogy Empirical studies are presented focusing on how phrasal verbs can be taught from a Cognitive Linguistic perspective via awareness raising methods Based on statistical analyses and considering individual learner variables such as language aptitude cognitive load and how students evaluated their own learning outcome the author discusses the merits of a Cognitive Linguistic approach to phrasal verbs

A Conspiracy So Immense David M. Oshinsky, 2019-08-20 Few politicians in our history have had the emotional impact of Joe McCarthy and acclaimed historian David Oshinsky's chronicling of his life has been called both nuanced and masterful Here David Oshinsky presents us with a work heralded as the finest account available of Joe McCarthy's colorful career With a storyteller's eye for the dramatic and presentation of fact and insightful interpretation of human complexity Oshinsky uncovers the layers of myth to show the true McCarthy His book reveals the senator from his humble beginnings as a hardworking Irish farmer's son in Wisconsin to his glory days as the architect of America's Cold War crusade against domestic subversion a man whose advice if heeded some believe might have halted the spread of Communism in Southeast Asia and beyond *A Conspiracy So Immense* reveals the internal and external forces that launched McCarthy on this political career carried him to national prominence and finally triggered his decline and fall More than the life of an intensely even pathologically ambitious man however this book is a fascinating portrait of America in the grip of Cold War fear anger suspicion and betrayal Complete with a new foreword *A Conspiracy So Immense* will continue to keep in the spotlight this historical figure a man who worked so hard to prosecute criminals whose ideals work against that of his for America

Mothers and Medicine Rima D. Apple, 1987-12-16 In the nineteenth century infants were commonly breast fed by the middle of the twentieth century women typically bottle fed their babies on the advice of their doctors In this book Rima D Apple discloses and analyzes the complex interactions of science medicine economics and culture that underlie this dramatic shift in infant care practices and women's lives As infant feeding became the keystone of the emerging specialty of pediatrics in the twentieth century the manufacture of infant food became a lucrative industry More and more mothers reported difficulty in nursing their babies While physicians were establishing themselves and the scientific experts and the infant food industry was hawking the scientific bases of their products women embraced scientific motherhood believing that science could shape child care practices The commercialization and medicalization of infant care established an environment that made bottle feeding not only less feared by many mothers but indeed natural and necessary Focusing on the history of infant feeding this book clarifies the major elements involved in the complex and sometimes contradictory interaction between women and the medical profession revealing much about the changing roles of mothers and physicians in American society The strength of Apple's book is her ability to indicate how the mutual interests of mothers doctors and manufacturers led to the transformation of infant feeding Historians of science will be impressed with the way she probes the connections between the medical profession and the manufacturers and with her

ability to demonstrate how medical theories were translated into medical practice Janet Golden Isis **Condensed**

Capitalism Daniel Sidorick, 2009 Corporations often move factories to areas where production costs notably labor taxes and regulations are sharply lower than in the original company hometowns Not every company however followed this trend One of America's most iconic firms the Campbell Soup Company was one such exception it found ways to achieve low cost production while staying in its original location Camden New Jersey until 1990 The first in depth history of the Campbell Soup Company and its workers Condensed Capitalism is also a broader exploration of strategies that companies have used to keep costs down besides relocating to cheap labor havens lean production flexible labor sourcing and uncompromising antiunionism Daniel Sidorick's study of a classic firm that used these methods for over a century has therefore special relevance in current debates about capital mobility and the shifting powers of capital and labor Sidorick focuses on the engine of the Campbell empire the soup plants in Camden where millions of cans of food products rolled off the production line daily It was here that management undertook massive efforts to drive down costs so that the marketing and distribution functions of the company could rely on a limitless supply of products to sell at rock bottom prices It was also here that thousands of soup makers struggled to gain some control over their working lives and livelihoods countering company power with their own strong union local Campbell's low cost strategies and the remarkable responses these elicited from its workers tell a story vital to understanding today's global economy Condensed Capitalism reveals these strategies and their consequences through a narrative that shows the mark of great economic and social forces on the very human stories of the people who spent their lives filling those familiar red and white cans *The Lonely Hearts Killers* Tobin T. Buhk, 2020-06-22

The shocking series of crimes committed by lovers Martha Beck and Raymond Fernandez dominated the front pages in 1949 Caught for the double homicide of a widow and her young daughter in Michigan the first couple of crime became the focus of an intense debate over the death penalty and extradition Their story climaxed in a sensational trial in New York City and concluded two years later inside Sing Sing's notorious Death House Pulp fiction era reporters who followed every step taken by the accused slayers christened Beck and Fernandez the Lonely Hearts Killers a nickname that stuck and has since been used to describe an entire category of criminal behavior Despite the sensationalization of the killer couple's exploits the story of the Michigan crime that ended their spree has until now remained largely untold Drawing on rare archival material this book presents for the first time anywhere a detailed account of this lost chapter in the saga of the Lonely Hearts Killers Both biography and analysis this book also attempts to deconstruct the myths and misconceptions and to provide answers to a few unanswered questions about the case **Deadly Farce** Robert M. Lichtman, Ronald D. Cohen, 2004 The book traces the rise and fall of Harvey Matusow a wise guy professional informer witness of the McCarthy era whose dramatic recantation led to his own imprisonment but hastened the end of the era No issue so possessed the nation in the first half of the 1950s as alleged Communist subversion in the United States Communist Party member an undercover FBI informer inside the Party

and then a leading witness for the government during the McCarthy era until he recanted his testimony His story illuminates a disturbing time in American history one with renewed relevance today Matusow was easily the most flamboyant of the professional ex Communists a celebrity informer who considered himself booked by Congressional committees not just to testify but to entertain He testified that Communists fostered loose sex taught politicized Mother Goose rhymes to small children and tried to infiltrate the Boy Scouts He also named more than 200 people as Communists and was a prosecution witness in major criminal cases transcripts personal interviews private papers and other primary sources most never before utilized to describe the unusual role of ex Communist informer witnesses during the McCarthy era The Justice Department kept several dozen political informers on the government s payroll to testify in hundreds of deportation sedition and contempt of Congress cases Some informers achieved celebrity as the result of high profile appearances at criminal trials and before Congressional committees But as the era continued instances of perjury began to appear Harvey Matusow s sensational recantation in 1955 gave him his biggest audience yet It led to the dissolution of the Justice Department s informer stable and ended the public s infatuation with the group Matusow s unrepentant and at times vaudevillian appearances before the Senate red hunting committee investigating his recantation followed by his prosecution for perjury for the recantation not his original testimony and prison sentence mark the climax of Deadly Farce McCarran and Elizabeth Bentley among many others offers an inside entertaining and closely documented view of a largely untold part of McCarthy era history The columnist Murray Kempton described Matusow as a truly remarkable witness in the opera bouffe sense demanded by inquisitions of the 1950s **Shadow Warriors** Kenneth R. Timmerman, 2008-09-16 Timmerman contends that partisan bureaucrats at the State Department the CIA and other key agencies together with Democratic politicians are actively undermining the Bush administration policy at every turn thus gutting America s ability to fight the War on Terror

Race and America's Long War Nikhil Pal Singh, 2017 In this sweeping erudite and much needed book Nikhil Pal Singh obliterates any myth of American peace revealing instead that the thread tying America s past and present is long and continuous war hot vicious global and racial Linking domestic and foreign terrains of combat he reveals the various ways in which war and race are inextricably intertwined whether packaged as wars on communism terrorism or crime Robin D G Kelley author of *Africa Speaks America Answers Modern Jazz in Revolutionary Times* Race and America's Long War is a brilliant and lacerating account of the United States brutal and racially inflected inner and outer wars Singh forensically diagnoses the disfigurements the United States has wrought domestically and overseas through its traffic in violence and race in the context of ever more rapacious and dehumanizing capital accumulation Laleh Khalili author of *Time in the Shadows* *Confinement in Counterinsurgencies* This thoughtful intervention will transform contemporary discussion Singh calls for a complete reassessment of the political significance of struggles against structural racism Beyond that he asks a host of urgent important questions about the fundamental importance of war to U S government and policing in their broadest

definitions Paul Gilroy author of *Darker than Blue On the Moral Economies of Black Atlantic Culture* This is an extraordinarily timely publication Singh's framework upends traditional distinctions between global and national politics tracing the ways that conflicts rooted in the domestic and foreign spheres rely on the same material infrastructure political logic and populist appeal Singh illuminates the continuities in militarized thought and action across place and time from settler colonial wars for territory and imperial excursions abroad to militarized policing at home Daniel Martinez HoSang author of *Racial Propositions Ballot Initiatives and the Making of Postwar California* One of our great historians demonstrates his virtuosic ability to skate across huge territories of history with insight and precision Matthew Frye Jacobson author of *Barbarian Virtues The United States Encounters Foreign Peoples at Home and Abroad 1876-1917* Chinese Nuclear Proliferation Susan Turner Haynes, 2016-07 While the world's attention is focused on the nuclearization of North Korea and Iran and the nuclear brinkmanship between India and Pakistan China is believed to have doubled the size of its nuclear arsenal making it the forgotten nuclear power as described in *Foreign Affairs* Susan Turner Haynes analyzes China's buildup and its diversification of increasingly mobile precise and sophisticated nuclear weapons Haynes provides context and clarity on this complex global issue through an analysis of extensive primary source research and lends insight into questions about why China is the only nuclear weapon state recognized under the Nuclear Nonproliferation Treaty that continues to pursue qualitative and quantitative advancements to its nuclear force As the gap between China's nuclear force and the forces of the nuclear superpowers narrows against the expressed interest of many nuclear and nonnuclear states *Chinese Nuclear Proliferation* offers policy prescriptions to curtail China's nuclear growth and to assuage fears that the American world order presents a direct threat to China's national security Presenting technical concepts with minimal jargon in a straightforward style this book will be of use to casual China watchers and military experts alike **Other People's Struggles** Nicholas J. Owen, 2019 In *Other People's Struggles* Nicholas Owen looks at the outsider in social movements people like men in women's movements white people in anti colonial movements or rich people in movements for the poor He asks why such outsiders usually termed conscience constituents are sometimes present and sometimes absent drawing on examples from British history of the last two hundred years It develops an original theory to explain their motivations the consequences of their participation and their controversial complex and changing place in social movements of the past and present **Strategic Marketing Management (RLE Marketing)** Gordon Foxall, 2014-09-15 This book considers marketing management within the overall corporate system of business policy making strategic planning and the implementation and control of effective plans The information requirements of marketing management are highlighted and the marketing information system concept is developed within the framework of managerial information systems In the chapters which deal with the elements of the marketing mix the interrelated nature of these variables is emphasized The book illustrates how the successful marketing manager can master each weapon in the marketing armoury and how s he can integrate those weapons to achieve

the right mix for each product The accent on integrated marketing continues in the final section where differentiated marketing is presented as an integrative framework and where the systematic control of marketing operations is described This book is for students who will one day be managers its emphasis is therefore on what is possible in marketing management and the most effective means by which marketing objectives can be attained **Come Together** Emily Nagoski, PhD, 2025-02-11 NEW YORK TIMES BESTSELLER From the author of *Come as You Are* and co author of *Burnout* comes an illuminating exploration of how to maintain a happy sex life in a long term relationship Emily Nagoski is a national treasure helping us all understand how to finally build true joyful confident sex lives Glennon Doyle author of *Untamed* In *Come as You Are* Emily Nagoski PhD revolutionized the way we think about women s sexuality Now in *Come Together* Nagoski takes on a fundamentally misunderstood subject sex in long term relationships Most of us struggle at some point to maintain a sexual connection with our partner s or spouse And many of us are given not very good advice on what to do about it In this book Nagoski dispels the myths we ve been taught about sex for instance the belief that sexual satisfaction and desire are highest at the beginning of a relationship and that they inevitably decline the longer that relationship lasts Nagoski assures us that s not true So what is true *Come Together* isn t about how much we want sex or how often we re having it it s about whether we like the sex we re having Nagoski breaks down the obstacles that impede us from enjoying sex from stress and body image to relationship difficulties and gendered beliefs about how sex should be and presents the best ways to overcome them You ll learn that spontaneous desire is not the kind of desire to strive for if you want to have great sex for decades vocabulary for talking with partners about ways to get in the mood and how to not take it personally when the mood is nowhere to be found how to understand your own and your partner s emotional floorplan so that you have a blueprint for how to get to a sexy state of mind Written with scientific rigor humor and compassion Nagoski shows us what great sex can look like how to create it in our own lives and what to do when struggles arise *Habermas and Pragmatism* Mitchell Aboulafia, Myra Orbach Bookman, Cathy Kemp, 2002 Investigates the influences of pragmatism on Habermas thought The essays cover subjects including philosophy of language democracy nature of rationality and social theory *Catalog of Copyright Entries.
