

Quantitative Methods

Highways leading south out to the cities are crowded by night. Buses, a constant flow of cars pass. The noise is tremendous. The highway leads to a road of the typical built-up areas.

² The concept of the *reluctant hero* has been the subject of extensive scholarly discussion in the field of literature. In general, this concept has been defined as a character who is not initially motivated to act heroically, but who eventually does so in the face of adversity.

Abstract: This paper discusses the importance of the role of the state in the development of the economy. It argues that the state should play a more active role in the economy, particularly in the areas of infrastructure, education, and health care. The paper also discusses the importance of the role of the private sector in the economy, and the need for a balance between the two.

- Is instrumental to sales and proper care of the livestock
- Records and summarizes the information pertaining to the livestock
- Records and summarizes the history (records) on the livestock
- Shows the price of different products
- Records and summarizes sales and cost of livestock contributed to sales, thus aids in determining net income
