Geometry

The cover of the Geometry textbook features a large, three-dimensional cube in shades of red and brown, positioned diagonally. A circular hole is cut out of the front face of the cube, revealing a dark, textured interior. The background is a vibrant yellow and orange, decorated with large, overlapping, stylized circular shapes that create a sense of depth and movement. The title 'Geometry' is prominently displayed in a large, white, sans-serif font, with a slight shadow effect, set against a blue and brown oval backdrop.
