Buttress's World Guide to Abbreviations of Organizations L. Pitman, 2012-12-06 The previous edition of this directory extended its coverage of the Far East Australasia and Latin America areas previously under represented For this new edition emphasis has been given to increasing the number of entries for organizations from Britain the United States and Australia and particular attention has been paid to new political organizations in Central and Eastern Europe and the former Soviet Union The number of entries included has gone up to over 68 000 of which over 9 000 are new or amended Cross references from defunct organizations in the previous edition have been deleted and references indicated by ex and now added for organizations which have changed their name since the previous edition As before the range of organizations included is broad and only purely local organizations have been excluded This directory therefore lists official and unofficial organizations national and international on all Subjects political economic and social Acronyms of parent bodies of subsidiary organizations are given where appropriate and equivalencies are used to link acronyms in different languages for the same organization Further information about the organizations listed can be found in the sources listed in the bibliography I would like to thank Henry Heaney and Graeme Mackintosh for their advice and David Grinyer for his technical support L M Pitman Bibliography Adams R ed 1993 Centres Bureaux A Directory of UK Concentrations of Effort Information and Expertise 2nd edn CBD Research Beckenham Barrett IK 1993 Encyclopedia of Women's Associations Worldwide Gale London Technical Handbook for Mountain Guides American Mountain Guides Association, 1999 Joint publication of the two associations Topics include professionalism mountain sense client care terrain assessment risk management technical systems application for guides instructional techniques *Tour Guiding Research* Betty Weiler, Rosemary Black, 2015 This book provides an authoritative state of the art review of tour guiding scholarship and research It aims to foster best practice and to stimulate further study and research on tour guiding across a range of disciplines The book is well illustrated and its accessible style with chapter summaries makes it ideal for students as well as researchers **Promoting innovation and tradition** FAO, 2024-12-11 Although living at altitude has never been easy and mountain communities have long demonstrated exceptional ingenuity in thriving in harsh environmental conditions the escalating impacts of climate change pose

unprecedented challenges to mountain people threatening their traditional ways of life and survival strategies This publication discusses how mountain adaptation solutions contribute to addressing the climate crisis All the case studies included here were provided by Mountain Partnership Members By presenting their concrete adaptation efforts in mountain regions worldwide we want to highlight the role of local actors especially women farmers Indigenous Peoples and youth as principal agents of change The publication is also a contribution to the celebration of International Mountain Day 2024 which takes the theme Mountain solutions for a sustainable future innovation adaptation and youth

Bottlenecks William Mellor, Dick M. Carpenter II, 2016-12-13 Bottleneck n a person who advocates for the creation or perpetuation of government regulation particularly an occupational license to restrict entry into his or her occupation thereby accruing an economic advantage without providing a benefit to consumers The Left Right and Center all hate them powerful special interests that use government power for their own private benefit In an era when the Left hates fat cats and the Right despises crony capitalists now there is an artful and memorable one word pejorative they can both get behind bottlenecks A bottleneck is anyone who uses government power to limit competition and thereby reap monopoly profits and other benefits Bottlenecks work with politicians to constrict competition entrepreneurial innovation and opportunity They thereby limit consumer choice drive up consumer prices and they support politicians who willingly overstep the constitutional limits of their powers to create maintain and expand these anticompetitive bottlenecks The Institute for Justice's new book Bottlenecks coins a new word in the American lexicon and provides a rich history and well researched examples of bottlenecks in one occupation after another from alcohol distributors to taxicab cartels pointing the way to positive reforms
