Wolf or Dog? Adam Weishaupt, 2013-01-27 There are two types of human being wolves aggressive assertive dominants who are determined to get what they want and dogs timid domesticated submissives continually at the mercy of the wolves Capitalism is a wolf ideology Christianity Islam and Judaism are dog religions intent on forcing you onto your knees and making you obey endless commandments The capitalist wolves can prey on the Christian dogs who simply turn the other cheek Democracy is another perfect vehicle for wolves The people the dogs are given the illusion that they are in control yet all democracies are just oligarchies and plutocracies. The wolves decide the political agenda and the candidates. The people merely choose which wolf will feed on them So are you wolf or dog This is a book by the Pythagorean Illuminati and its aim is to re train the dogs to understand the wolves and stand up to them If you want the best things in life you cannot allow IWork '09 Richard Harrington, 2009 In the only Apple certified guide to yourself to be preyed upon by the Power Elite iWork 09 you ll learn to create everything from first rate business presentations and newsletters to effective budgets and event planners Focused lessons take you step by step through all aspects of Keynote Pages and Numbers The self paced book DVD combo uses real life material and practical lessons that you can apply immediately to your own projects You ll learn to Master the iWork suite of tools guickly through fun real world projects Design a Keynote presentation from storyboard to Web export Add animated charts and custom backgrounds to a presentation with ease Publish great looking newsletters and brochures in print and on the Web Build a professional marketing package from scratch Create expense reports track budgets and plan special events Sort organize and chart data using sophisticated spreadsheet calculations The Apple Training Series is both a self paced learning tool and the official curriculum of the Apple Training and Certification Program To find out more about Apple Training or to find an Authorized Training Center near you go to www apple com training
