Mrs Keppel And Her Daughter:

Mrs. Keppel and Her Daughter Diana Souhami, 1996-04-25 Alice Keppel the married lover of Queen Victoria's eldest son and great grandmother to Camilla Parker Bowles was a key figure in Edwardian society. Hers was the acceptable face of adultery. Discretion was her hallmark. It was her art to be the king's mistress and yet to laud the Royal Family and the institution of marriage. Formidable and manipulative, her attentions to the king brought her wealth, power and status. Her daughter Violet Trefusis had a long tempestuous affair with the author and aristocrat Vita Sackville West during which Vita left her husband and two sons to travel abroad with Violet. It was a liaison that threatened the fabric of Violet's social world and her passion and recalcitrance in pursuit of it pitted her against her mother and society. From memoirs, diaries and letters Diana Souhami portrays this fascinating and intense mother-daughter relationship. Her story of these women, their lovers and their lovers' mothers highlights Edwardian and contemporary duplicity and double standards and goes to the heart of questions about sexual freedoms. **Mrs Keppel and Her Daughter** Bill Reynolds, Diana Souhami, 1998-03 **Mrs. Keppel**

and Her Daughter Diana Souhami, 2014-10-14 An electrifying study of Mrs Keppel famously King Edward VII's mistress and of her daughter notoriously Vita Sackville West's lover. Daily Telegraph UK. A New York Times Notable Book. Alice Keppel the married lover of Queen Victoria's eldest son and great grandmother to Camilla Parker Bowles was a key figure in Edwardian society. With impeccable discretion she carried on as the king's mistress while lauding the Royal Family and the institution of marriage. Hers was the acceptable face of adultery. It brought her wealth, power and status. Alice's daughter Violet Trefusis had her own long and tempestuous affair with the author and aristocrat Vita Sackville West but it brought very different consequences. Vita left her husband and family to travel abroad with Violet and their scandalous liaison threatened Violet's social standing and pitted her against her mother. From memoirs, diaries and letters Diana Souhami portrays this fascinating and intense mother-daughter relationship. Her story of these women, their lovers and their lovers' mothers highlights Edwardian and contemporary duplicity and double standards and goes to the heart of questions about sexual freedoms.

Mrs Keppel Tom Quinn, 2016-09-20 For Alice Keppel it was all about appearances. Her precepts were those of the English upper classes: discretion, manners and charm. Nothing else mattered, especially when it came to her infamous affair with King Edward VII. As the King's favourite mistress up until his death in 1910, Alice held significant influence at court and over Edward himself. But it wasn't just Edward she courted throughout her life. Alice enthusiastically embarked on affairs with bankers, MPs, peers, anybody who could elevate her standing and pay the right price. She was a shrewd courtesan and her charisma and voracity ensured her both power and money combined, as they were with an aptitude for manipulation. Drawing on a range of sources including salacious first-hand eyewitness accounts, bestselling author Tom Quinn paints an extraordinary picture of the Edwardian aristocracy and traces the lives of royal mistresses down to Alice's great granddaughter, the current Duchess of Cornwall. Both intriguing and astonishing, this is an unadulterated glimpse into a
