Making Men in the Age of Sail Graeme J. Milne, 2024-06-15 Myths and stereotypes surrounding seafarers in the Age of Sail persist to this day Sailors were celebrated

for their courage strength and skill yet condemned for militancy vice and fecklessness As sail gave way to steam sailing ship mariners became nostalgic symbols of maritime prowess and heritage representing a timeless heroic masculinity in an era when the modernizing industrial world was challenging assumptions about gender class work and society Drawing on British seafaring memoirs from the late nineteenth century Making Men in the Age of Sail argues that maritime writing moulded the reading public's image of the merchant seaman Authors chronicled their lives as they grew from boy sailors to trained seafarers telling colourful tales of the men they worked with most never doubted that the sailing ship had made them better men Their testimony reinforced and preserved conservative perspectives on seafaring manhood as Britain's economic and technological priorities continued to evolve in the new steamship age Offering a gender analysis of the image of the seafarer Making Men in the Age of Sail brings the history of British sailors into wider debates about modernity and masculinity

Verve,1998 **The Routledge Handbook of Gender and Sexuality in Byzantium** Mati Meyer,Charis

Messis,2024-05-23 This Handbook is the first to consider the interrelated subjects of gender and sexuality in the Eastern Roman Empire from an interdisciplinary perspective Drawing on both modern theories and Byzantine perceptions and considering multiple periods and religions Eastern Orthodox Islamic and Jewish it provides evidentiary textual and visual material support for an analysis of the two linked themes Broadly the essays demonstrate that gender and sexual constructs in Byzantium were porous As a result they expand our knowledge of not only how sex and gender were conceived and performed but also how ideas and practices shaped Byzantine life The Routledge Handbook of Gender and Sexuality in Byzantium will be an indispensable guide for students and scholars of late antique and Byzantine religion history culture and art who will find it a useful critical survey of current scholarship and one that shines new light in their areas of research The focus on issues of gender and sexuality may also be of interest to individuals concerned with Eastern Mediterranean culture as well as to the broader public Chapter 21 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **THE UNIDENTIFIED SOLDIER IN THE USO POSTER** RICHARD & BETTY COATE,2014 The horrors of WWII were still fresh in our minds when the Korean War broke out June 25 1950 when the North Korean Communists crossed the Thirty Eighth Parallel to invade South Korea changed the course of my life Betty her roommate Marian Ott Richard's old Trenton buddy and roommate Harvey Seeman and Richard were driving to Old Man's Cave which is about a hundred miles southwest of Columbus It was a day made for poets and we couldn't have been in a more festive mood The radio was tuned to the classical music station on WOSU when the program was interrupted with the news that the North Korean Communist troops had crossed the Thirty Eighth Parallel to invade South Korea Korea Where's that Richard flunked his physical for induction into WWII but would pass muster to fight in what was tragically mislabeled as a mere police action Richard had proposed marriage to Betty earlier that spring with plans for a wedding the following December of 50 Little over eight months since

their trip to Old Man's Cave Richard was among the first draftees to enter the war The title of this book is apt Had I been identified it could never have been used as a symbol of American fighting forces throughout the globe Since it was used as a symbol at the peak of the Cold War the advertising executive who handled the USO account had no way of knowing that I was not one of the 36 000 who were KIA in the war And he also presumed that if I survived the war I could never prove it to be me The AP release stated the photograph was taken by a man with the initials JM An elderly woman in the World Wide AP photo department said Why that's Jimmy Martenhofff

Útrásarvíkingar! Alaric Hall, 2020 As the global banking boom of the early twenty first century expanded towards implosion Icelandic media began calling the country's celebrity financiers *trásarvíkingar* raiding vikings This new coinage encapsulated the macho medievalist nationalism which underwrote Iceland's exponential financialisation Yet within a few days in October 2008 Iceland saw all its main banks collapse beneath debts worth nearly ten times the country's GDP Hall charts how Icelandic novelists and poets grappled with the Crash over the ensuing decade As the first English language monograph devoted to twenty first century Icelandic literature it provides Anglophone readers with an introduction to one of the world's liveliest literary scenes It also contributes a key case study for understanding global artistic responses to the early twenty first century crisis of runaway unregulated capitalism exploring the struggles of writers to adapt realist forms of art to surreal times As Iceland's biggest crisis since their independence from Denmark in 1944 the effect of the Crash on the national self image was as seismic as its effects on the economy This study analyses the centrality of whiteness and the abjection of the developing world in Iceland's post colonial identity and shows how Crash writing explores the collisions of Iceland's traditional nationalist medievalism with a dystopian Orientalist medievalism associated with the Islamic world The Crash in Iceland was instantly recognised as offering important economic insights This book shows how Iceland also helps us to understand the cultural convulsions that have followed the Financial Crisis widely in the West
