

"Special"

Although my needs may be special,
I may not walk and run so fast.

Although my needs may be special,
I feel and hurt the same.

Although my needs may be special,
I may talk a little funny.

Although my needs may be special,
I love and want just like you.

Although my needs may be special,
I may look a little different.

Although my needs may be special,
I'm just as curious and scared.

Although my needs may be special,
I may learn and read a little slower.

Although my needs may be special,
I AM SPECIAL; I'm a child of God
like you.

At other times Rizzo's advice is intended to help the child grow in his or her own faith as when he explains how kids with special needs can participate meaningfully in the Eucharist.
