The AXIOMS of Marketing Robert W. Bly, 2021-12-21 Laws are broken Rules get bent AXIOMS aka see uhms noun 1 statements or propositions that are regarded as being established accepted or self evidently true 2 the sublime and intrinsic facts of a subject that form the foundational underpinnings upon which one can build unbounded and limitless success The Premiere Book in the Exciting New Line That Puts a Foundation Underneath Your Efforts The AXIOMS of Marketing are Marketing Effectiveness Is Not Subjective Likeability Effectiveness High Accuracy High Results Lead Quality 1 Lead Quantity Knowledge Is Finite Emotion Facts In The AXIOMS of Marketing you have 6 undeniable truths about marketing what they can do and how to implement

them in your marketing for maximum results The axioms work virtually all the time and when you defy one or more of the axioms your marketing results invariably falls short of the mark What s the difference between a rule and an AXIOM A rule is a guideline to follow that has a strong probability of yielding the expected result An AXIOM is an immutable law which can be violated only under the most extraordinary circumstances if at all The value of having these AXIOMS written out for you is I think obvious but in case not let me state it plainly By obeying these AXIOMS and making your promotions conform to them you can substantially improve your marketing results Conversely when you ignore all or even one of these marketing axioms you risk poor results and monetary losses One other advantage of mastering and following these 6 AXIOMS of marketing is that they unlike marketing technology and channels are immutable and do not change over time The same principles of human desire and methods of influence that guided the markets of ancient Greece are still operating today writes Craig Simpson and Brian Kurtz in their book *The Advertising Solution* In order to get people to do what you want them to do you have to understand what motivates them You also have to know how to prevent yourself and your product to get their interest their trust and ultimately their willingness to call you visit you or send you their money What You ll Learn in The AXIOMS of Marketing Why you should avoid making marketing decisions based on subjective judgment The 25 50 25 rule of testing marketing variables 14 A B split tests worth doing How to make your marketing tests statistically valid Do ads consumers find entertaining outsell other ads The 5 characteristics of winning advertisements Don t underestimate the power of targeted marketing Profiting from the Recency Frequency Monetary formula Understanding demographics Selling to the starving crowd Succeed in internet marketing with the Agora Model 6 ways to take a deeper dive into the mind of your prospect The inverse correlations between lead quality and lead quantity The MAO FU formula for qualifying prospects 8 proven ways to generate more sales leads The importance of calculating lifetime customer value The 5 step Motivation Sequence for more powerful persuasion 31 ways to increase response to your ads 50 ways to increase direct mail response rates 31 ways to increase response to your ads Increase content marketing ROI Coping with Big Data Which is more potent emotion or facts The BDF formula for finding your customer s dominant resident emotion **Popular Science** ,1993-07 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Sound & Communications** ,1994 **Modern Electronics** ,1989 **Popular Mechanics** ,1993-07 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Electronics World + Wireless World** ,1991
