

AN EXAMPLE OF AN AUTOBIOGRAPHY

I was born on a warm, sunny day in June in Sarasota, Florida. I still live in Sarasota, Florida, and I go to school at Booker High School. I live with my mom, Kate; my brother, Jake; and my Aunt Molly. When I was born, my brother was fifteen-months-old and hid under the table from me. Jake is a sweet kid and he would do anything for me, but like all brothers and sisters we fight like cats and dogs. Sometimes when no one was around, Jake would come up to me and bite my toes for no reason. I still love him but only because he is my brother.

Who I am in life.

My name is Sally Friday. I started school when I was six-years-old. I went to kindergarten through fifth grade at Booker Elementary and while I was there, I won an award for perfect attendance. I also won an award for honor roll all four terms. Then I attended Booker Middle School, and there I also won a couple of awards: one for perfect attendance and two for being named Student of the Year—one in sixth grade and the other in eighth grade. I am now a senior at Booker High School. I plan on finishing school and maybe going to a community college.

What life means to me.

Life to me means friends and family who you can trust and who trusts you. I am pretty much on the happy side of life, but like all teens I do I have my "days of." That means I do have some sad days or depressed days. I have a few friends here that sort of look out for me and when I am having a bad day, I have someone here at school to talk to. I make my school days go by thinking of either the next hour or what I will do when I get home or on the weekend. I'm not seeing anyone now but when I did have a boyfriend, our favorite places to go were the movies and out to dinner. Sometimes we went to the beach. Only once we went to an amusement park: Universal Studios. We were together for twenty-nine days and then we broke-up; so no, I don't think it was forever.

What's my outlook on the future.

Elementary Student Autobiography Sample
