Tan,1984 The One Year Devotions for Men on the Go Stephen Arterburn,Bill Farrel,2013-03-08 Designed to encourage readers to spend time reading and meditating on the truth of God s Word these brief devotions based solidly in Scripture are ideal for reading over morning coffee waiting in the car for children after school or anytime people on the go want to make the most of just a few minutes These devotions will encourage men and women to meditate on God s Word daily even in the midst of a busy active schedule *The Puzzled Preacher* David Balsley,2016-01-25 Why did the Lord see fit to include the book of Ecclesiastes in His inspired Word Down through the centuries many people have wondered how Solomon could have moved so far from his walk with the Lord and the wisdom of the Proverbs to the pessimism of Ecclesiastes in one lifetime For this reason some have questioned Solomons authorship of the book But Solomon is only one of many who have taken a spiritual detour in life As a result there are many people in our nation and our world who can readily identify with the outlook of Ecclesiastes because they too are living their lives as Solomon did for a time under the sun This verse by verse tour of Solomons experience will help you understand where Solomons spiritual detour took him and where he finally came to realize he should have been going instead You will be encouraged to move out from under the sun to the abundance of life in the light of the Son *Preaching* John F. MacArthur,Master's Seminary Faculty,2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In *Preaching How to Preach Biblically* John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master s Seminary to inspire and equip preachers in effective biblical preaching *Preaching How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God s people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical foundations for insisting on expository preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master s Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence *What God Has Said—About God* Lenn Zeller,2020-03-02 Who is

Wayne House,2008 Jesus asked no more profound question than this one that He posed to His disciples He asks that same question of you today But how can anyone know for certain who Jesus is when confronted with so many different views of Him Is He the good but powerless Jesus of

world religions the less than fully God Jesus of the cults of Christianity the mystical and even sensual Jesus of Hollywood and popular media **All Things New** Tim Snider,2011-10-05 All Things New is not just another book on Bible prophecy Are we the terminal generation Are we the generation of mankind that will see the fulfillment of its prophecies This book answers those questions The book of Revelation needs to be engaged more now than in any era of human history However many recent books on the subject of Revelation take a much too scholarly approach to a book that was written to be understood by the common man All Things New is a verse by verse commentary guide for the Christian or non Christian reader who may simply want to know what the book of Revelation is all about and what its significance is for us today Included are definitions of the basic terms related to the Church and Christianity that a non believer might not understand but are necessary for a clear comprehensive understanding of Revelation This book is not just about scary beasts incomprehensible images and mind boggling catastrophes and judgments Its also a book of vindication for the people of God a demonstration of God s eternal justice and most importantly a book of hope for a world that seems to have lost its way There are storm clouds on the horizon and a cold night of despair will follow but the night is never so cold as just before the dawn May everyone who reads this book find joy peace and tranquil hope for the future in the person of Jesus Christ A new day is coming and a new world will dawn in which God will indeed make All Things New To read a Kirkus review for this book copy and paste this address into your browser <http://www.kirkusreviews.com/book-reviews/tim-snider/all-things-new-snider-review>
