End Time Dreams Visions:

End Time Dreams & Visions Debra J. Wright, 2014-11-24 God Is Speaking To You The Written Word of God is the Voice of God in print God's word instructs corrects heals transforms and SAVES SOULS Reading God's word with spiritually tuned ears enables you to hear him speaking about things in specific ways God also speaks to mankind in Dreams a fall down a steep staircase prohibited by the push of a hand in the back while unaccompanied the much talked about out of body experience and others Her most noted and repetitive experience has been that of Dreams Visions in which God is speaking to the church concerning its intended functions and development In this book Debra Writes the Visions Makes them Plain for those endeavoring to hear God's Clarion Call Kenneth M. Heck, 2009-10 **Dreams, Visions, Imaginations** Jens Schröter, Tobias Nicklas, Armand Puig i Tàrrach, 2021-02-08 The contributions in this volume are focused on the historical origins religious provenance and social function of ancient Jewish and Christian apocalyptic literature including so called Gnostic writings Although it is disputed whether there was a genre of apocalyptic literature it is obvious that numerous texts from ancient Judaism early Christianity and other religious milieus share a specific view of history and the world to come Many of these writings are presented in form of a heavenly divine revelation mediated through an otherworldly figure like an angel to an elected human being who discloses this revelation to his recipients in written form In different strands of early Judaism ancient Christianity as well as in Gnosticism Manichaeism and Islam apocalyptic writings played an important role from early on and were produced also in later centuries One of the most characteristic features of these texts is their specific interpretation of history based on the knowledge about the upper divine realm and the world to come Against this background the volume deals with a wide range of apocalyptic texts from different periods and various religious backgrounds

been interested in their dreams and what they mean However few non Muslims in the West are likely to seek interpretation of those dreams to help them make life changing decisions In the Islamic world the situation is quite different Dreaming and the import of visions are here of enormous significance to the degree that many Muslims believe that in their dreams they are receiving divine guidance for example on whether or not to accept a marriage proposal or a new job opportunity In her authoritative new book Elizabeth Sirriyeh offers the first concerted history of the rise of dream interpretation in Islamic culture from medieval times to the present Central to the book is the figure of the Prophet Muhammad seen to represent for Muslims the perfect dreamer visionary and interpreter of dreams Less benignly dreams have been exploited in the propaganda of Islamic militants in Afghanistan and in apocalyptic visions relating to the 9 11 attacks This timely volume gives an important fascinating and overlooked subject the exploration it has long deserved **Faith to Produce Miracles**

Brent C. Satterfield PhD,2018-03-01 Brent C Satterfield Ph D believes we have the power to work miracles and we only need the keys to unlock it A new science of healing through conscious intent is emerging in scientific literature But how is this healing done And what does this appearance of seemingly spiritual gifts mean for those who already have a strong religious faith Satterfield a global health scientist and a convert to Christianity was guided to take a sabbatical to study those with the faith to work miracles He discovered that the greatest healers and miracle workers often came from philosophies and religions outside his own His book is a reminder that truth is brightest when we set aside our differences to integrate all light into one great whole Faith to Produce Miracles delves into the subconscious motives for human actions reveals the denials of Gods power and explores methods for purifying and releasing the emotions that direct those actions *God's Girl Heavenly Visions of End Time Prophecy* J.
