

Endoscopy

E-Videos

The *Endoscopy E-Video* Section is an online-only supplement dedicated entirely to cases and endoscopic techniques. Only essential information on clinical features, diagnoses, and treatment should be included.

Patient Identification

For publication of illustrations/photographs in which individuals can be identified, written consent of the person involved must be submitted to the publisher. Suitable forms can be downloaded from <http://www.thieme.de/endoscopy>. Please be careful: the legal criteria for unrecognizability are strict: it should not be possible for anyone near that person to identify the individual.

Caution! All personal data relating to patient and/or examination (e.g. date, time, place, patient name, patient birth date, unique ID, examiner name or ID) must be removed from images and videos before submission. Findings/diagnoses and markings such as arrows are allowed. If your image or video contains technical parameters, please make sure that they consist only of complete, recognizable data that are essential for understanding the image. All images and videos displaying unexplained letters or numbers will be rejected.

- **Authorship:** E-Videos may have a maximum of seven (7) authors.
- **Title:** The length of the title should not exceed 125 characters including spaces.
- **Abstract:** E-Videos do not contain abstracts. Please enter n/a (not applicable) in the required abstract field when uploading your manuscript.
- **Main text:** Please include the following in the main text:
 - Text (maximum 300 words)
 - Video legend
 - Video text: Any text appearing in the video must be included at the foot of the main text
 - References
 - Figure legends

Video:

- One (1) video allowed.
- Patient names should not appear anywhere in the video. Please check carefully for any identifying information including date of birth, height, weight etc.
- The following formats are acceptable: *.avi, *.mov, *.mpg, as well as H264D, mpeg-4, DivX-4 or AVC1D.
- The maximum length of the clip should not exceed 3 minutes.
- Please ensure that the procedural steps and/or findings are explained and highlighted in the video with overlay titles. Important note: Any text contained in the video itself must be inserted (written in full) at the foot of the main text.
- The video legend should be no more than 30 words.
- Video still image: Submissions must include one representative still image from the video as a figure, in a file named, for example, Video_image. On publication, this image will be displayed below the video legend near a link to the video.

- **Figures:** Please provide a maximum of six (6) images: the video still image (see above) plus a maximum of five (5) more images. Please note that in figures with multiple images, each image is counted separately. Please upload figures separately in tif or jpg format with at least 300 dpi, and fill in the figure captions.
- **References:** Maximum of five (5) references, cited numerically according to the Vancouver style. They should be cited consecutively in the order in which they are first mentioned in the text. Identify references in text, tables, and legends by arabic numerals placed in parentheses []. In the numbered reference list at the end of the text, use the style of the following example:
Yamada M, Saito Y, Sakamoto T et al. Endoscopic predictors of deep submucosal invasion in colorectal laterally spreading tumors. *Endoscopy* 2016; 48: 456–464

Endoscopy Journal Authors Instructions Introduction

In today's digital age, the availability of Endoscopy Journal Authors Instructions books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Endoscopy Journal Authors Instructions books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Endoscopy Journal Authors Instructions books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Endoscopy Journal Authors Instructions versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Endoscopy Journal Authors Instructions books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Endoscopy Journal Authors Instructions books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Endoscopy Journal Authors Instructions books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Endoscopy Journal Authors Instructions books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Endoscopy Journal Authors Instructions books and manuals for download and embark on your journey of knowledge?
