

USING THE MINI BOOK

STORY CONCEPT AND GRAPHIC EXAMPLE

The story books template is super easy to use! The cutting or pasting needed is simple! Fold the illustration in half and then glue the other directions. You'll be able to use them as a page book, ready to be filled with great evidence of reading!

The story books can be used as a book report, to show sequential steps in a process, to highlight or vocabulary word (found on page 17 - definition, page 18 - synonym, page 19 - use the word in a sentence), to highlight a word with great evidence, to substitute a word, and much more!

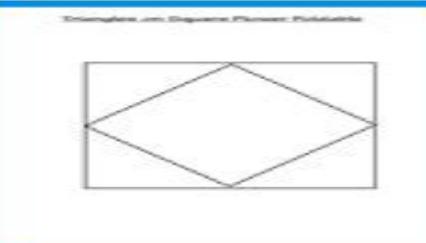

USING ACCORDION FOLDABLES

Accordion foldables are a student favorite! They are like making "blended paper" or "new to make use."

1. Cut on all the solid lines.
2. Fold in alternating directions on all the dashed lines.
3. Glue and illustrate the placement in notebooks or to display in the classroom.

Accordion foldables are the perfect way to show steps in a process, such as long division, organizing "before, during, after" information, highlighting the main events of a novel, the events of a major war, and the life cycle.

USING FRENCH DOOR FOLDABLES

Large Content, Double-Foldable, and Double-Foldable

French door foldables are not difficult to make and are a great way to organize information. Here is how:

1. Cut on all the solid lines.
2. Glue the back of the flap, then fold and paste it onto notebook or composition paper.
3. Label down with necessary information and incorporate corresponding information before the door.

Here are some French Door Examples on the following page.
