Folk Lore And Legends English:

Folk-lore and legends: English Charles John Tibbits,2015-01-07 The old English Folklore Tales are fast dying out The simplicity of character necessary for the retaining of old memories and beliefs is being lost more rapidly in England perhaps than in any other part of the world Our folk are giving up the old myths for new ones Before remorseless progress and the struggle for existence the poetry of life is being quickly blotted out In editing this volume I have endeavoured to select some of the best specimens of our Folklore With regard to the nursery tales I have taken pains to give them as they are in the earliest editions I could find I must say however that while I have taken every care to alter only as much as was absolutely necessary in these tales some excision and slight alteration has at times been required *Folk Lore and Legends, English*
