## **Forgiveness Object Lesson:**

**Project Self-Esteem** Wendy Cullum, 2014-05-01 Shyness bullying and depression can be a sad part of every child's school experience. Each of these problems can be traced back to a single source: a lack of self-esteem. In my many years of working with children, I have found that the key to helping our kids succeed in life is building up their self-esteem at an early age. In this book are valuable life lessons that have been tried and tested for more than fifteen years by myself and other parents and teachers in their homes and classrooms. The subjects that are taught range from courage to forgiveness. The lessons are fun and uplifting and have profound effects on children and their self-esteem. When children feel they have value, they are happier and do better in school and in life. I taught the lesson for PSE on Joy Thank you so much for such a great lesson. I went to teach it to the kids at their level and left the classroom so encouraged and full of joy because I couldn't help but to understand the topic. The kids enjoyed all the activities and we had such a fun time. Again thank you so much for all the work you do to put this program together. It doesn't just impact the children; it was an amazing and timely reminder for me today. Cristina Sands stay at home mom PSE is a wonderful program at our school. The valuable lessons and discussion points are age appropriate and engaging. We appreciate how they are grade specific. Our students, teachers, and volunteers look forward to the activities and relatable topics each month. Marlo Guerra PTA member and grounds supervisor

**The Heart of Apostasy** Dr. Eric M. Wallace, 2025-08-11 For decades the Black Church has stood as a beacon of faith resilience and moral courage But beneath the surface of spiritual fervor lies a growing crisis a theological drift that has exchanged biblical authority for cultural and political conformity In *The Heart of Apostasy* Dr Eric Wallace confronts this dangerous shift head on exposing how progressive ideologies like identity politics critical race theory and cultural Marxism have infiltrated the pulpits and pews of the Black Church leading it away from its prophetic calling Drawing deeply from the Parable of the Sower in Luke 8 Dr Wallace diagnoses the spiritual condition of a Church divided by disillusionment distraction and ideological compromise With keen biblical insight and cultural analysis he traces how the seeds of apostasy have been sown not by external oppression but by an internal abandonment of Scripture as the ultimate authority This book is not merely a critique it s a call to repentance and renewal Dr Wallace challenges pastors lay leaders and believers to reclaim a Kingdom centered worldview where allegiance to Christ takes precedence over racial solidarity and partisan politics He offers a clear path forward grounded in the R I S E Principles Responsible Government Individual Liberty and Fidelity Strong Family Values and Economic Empowerment a biblical framework for cultural engagement that does not compromise the Gospel *The Heart of Apostasy* is a prophetic wake up call for a Church at a crossroads Will we continue down the path of ideological captivity or will we return to the Good Soil of a heart wholly devoted to Christ and His Word
